To authorize and direct the City Auditor to transfer \$2,975,000.00 between projects within the Safety Voted Bond Fund: to amend the 2008 Capital Improvement Budget; to authorize and direct the Finance and Management Director to issue a purchase order for custom tilt-cab pumpers for the Division of Fire from an existing Universal Term Contract established for such purpose by the Purchasing Office with Ferrara Fire Apparatus; to authorize the expenditure of \$2,975,000.00 from the Safety Bond Fund; and to declare an emergency. (\$2,975,000.00)

**BACKGROUND:**

**Need:** The Fire Division has a need to purchase seven fire engines to replace existing vehicles that have high mileage and excessive maintenance costs. These seven engines will replace front-line fire apparatus in stations throughout the city service area. The purchase of these engines is part of a long-term replacement of fire apparatus involving the current orders of eight engines, four ladders, and twenty-two medic vehicles.

This ordinance also authorizes the transfer of \$2,975,000.00 between projects within the Safety Voted Bond Fund as a temporary measure until bonds are sold to reimburse the Computer Aided Dispatch Project and the Fire Station #35 Project. The ordinance also amends the 2008 Capital Improvement Budget, ordinance #0690-2008 to reflect this transaction.

**Bid Information:** A Universal Term Contract exists for this purchase.

**Contract Compliance:** Ferrara Fire Apparatus #721129363 exp. 8/14/2008

**Emergency Designation:** This legislation is to be considered an emergency measure to allow for the immediate use of funds, and immediate purchase of this equipment.

**FISCAL IMPACT::** The 2008 capital improvement budget reflects new funding of \$4,750,000 for Fire Apparatus Replacement, however, there is no cash available within the project to complete this transaction. These transfers of \$2,031,807 from Fire Station 35 and \$943,193 from Police and Fire Computer Aided Dispatch will be reimbursed from the \$4.75 million when bonds are sold.

Since 2006, the Public Safety Department has invested \$12.4 million for the purchase of thirty-five pieces of fire apparatus (22 medics, 8 engines, 4 ladders, and 1 air supply unit). This ordinance will expend another \$2.97 million for the purchase of seven engines bringing the total investment to nearly \$15.4 million and a total of forty-two vehicles.

**WHEREAS,** the Fire Division is in need to purchase custom tilt-cab pumpers; and

**WHEREAS,** a Universal Term Contract established by the Purchasing Office exists for these purchases; and

**WHEREAS,** a transfer of funds between projects within the Public Safety Voted Bond Fund is necessary to provide all the funds needed for these purchases; and

**WHEREAS,** this transfer should be considered a temporary funding method until bonds are sold ; and

**WHEREAS,** this ordinance amends the 2008 Capital Improvements Budget, Ordinance 0690-2008; and

**WHEREAS,** an emergency exists in the usual daily operation of the Department of Public Safety, in that it is necessary to purchase said pumpers, for the immediate preservation of the public health, peace, property, safety and welfare; now, therefore,

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS**

**SECTION 1.** That the 2008 Capital Improvement Budget is hereby amended to account for the new funding authority that should have been stated in 0613-2008 as follows:

Fund: 701 Division 30-04/
