The project includes the supply and installation of site furnishings, earthwork, fine grading, seeding, play equipment, safety surfacing, plant material, sail roof over concrete seating area and any such work as may be necessary to complete the contract in accordance with the plans and specifications on file in the Recreation and Parks Department. The project improvements will provide an updated play area closer to the newly renovated Recreation Center, making it a safer location for children. In addition, the playground equipment assembly will be handled by volunteers who will be working along with the contractor to supply the labor for this portion of the project.

A project contingency in the amount of \$7,000.00 is included in this legislation.

The Contract Compliance Number for Pavement Protectors, dba M&D Blacktop Sealing is #31-1131599 and the contract compliance is effective through June 2, 2010.
