### Rezoning Application Z08-027

**APPLICANT:** Whirlpool Corporation; c/o Christopher N. Slagle, Atty.; 100 South Third Street; Columbus, OH 43215.

**PROPOSED USE:** Industrial development.

**DEVELOPMENT COMMISSION RECOMMENDATION:** ~~To be received~~ **Approval (6-0)** on July 10, 2008.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The requested L-M, Limited Manufacturing District will permit industrial development with appropriate development standards. The 191.5± acre site is zoned L-M, Limited Manufacturing, and R, Rural Districts. Part of the site is subject of a boundary adjustment with Obetz. A two-acre tract at the southeast corner of the site was zoned to the L-M District in May 2008 (Z07-063). The requested L-M, Limited Manufacturing District will rezone the portion of the site from Obetz, change transportation commitments of the larger L-M District (Z96-038), and consolidate all of the zoning districts of the proposed development into one L-M District. The site is located within the planning area of the *South Central Accord*

(2004), which recommends industrial uses for this location. The proposed L-M, Limited Manufacturing District is consistent with the zoning and development patterns of the area, and with the land use recommendations of the *South Central Accord*.

To rezone **1900 LONDON-GROVEPORT ROAD (43137)**, being 191.5± acres located at the northwest corner of Shook and London-Groveport Roads, **From:** R, Rural, and L-M, Limited Manufacturing Districts, **To:** L-M, Limited Manufacturing District **and to declare an emergency** (Rezoning # Z08-027).

**WHEREAS**, application #Z08-027 is on file with the Building Services Division of the Department of Development requesting rezoning of 191.5± acres from R, Rural and L-M, Limited Manufacturing Districts, to L-M, Limited Manufacturing District; and

**WHEREAS**, the Development Commission recommends **approval** of said zoning change; and

**WHEREAS**, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the requested L-M, Limited Manufacturing District will permit industrial development with appropriate development standards, and will consolidate all of the zoning districts of the proposed development into one L-M District. The site is located within the planning area of the *South Central Accord* (2004), which recommends industrial uses for this location. The proposed L-M, Limited Manufacturing District is consistent with the zoning and development patterns of the area, and with the land use recommendations of the *South Central Accord*, now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179 -03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

**1900 LONDON-GROVEPORT ROAD (43137)**, being 191.5± acres located at the northwest corner of Shook and London-Groveport Roads, and being more particularly described as follows:

**Tract One**

**LIMITATION OVERLAY TEXT**

<b>Proposed Zoning District:</b>	<b>Limited Manufacturing</b>
<b>Property Address:</b>	<b>1900 London-Groveport Road</b>
<b>Property Owner:</b>	<b>Pizzuti Land LLC</b>

**Applicant:** Whirlpool Corporation  
**Date:** July 21, 2008

**I. Introduction:** Applicant Whirlpool Corporation seeks to rezone several parcels, totaling 191 acres, within the boundaries of its new Regional Distribution Center located at 1900 London-Groveport Road for those uses permitted under Chapter 3363 M, Manufacturing of the Columbus City Code. The Limitation Text provides application limitations for the development area and its multiple parcels and for the purpose of developing Whirlpool's new Regional Distribution Center near Rickenbacker Airport. The applicable Limitation Text and sections currently present for two parcels included in this development area.

The development of this parcel falls under the development standards of the South Central Accord, which recommends industrial development.

**II. Permitted Uses:** Those uses permitted by Chapter 3363 M, Manufacturing of the Columbus City Code, including industrial development.

**III. Development Standards:** Unless otherwise indicated, the applicable development standards are contained in Chapter 3363 M, Manufacturing of the Columbus City Code.

- 1) **Height:** A height district of thirty-five (35) feet is hereby established on the L-M, Limited Manufacturing District on this property.
- 2) **Density, Height, Lot, and /or Setback Commitments:** Standards are per the underlying zoning classification contained in Chapter 3363 M, Manufacturing of the Columbus City Code.
- 3) **Access, Loading, Parking and/or other Traffic Related Commitments:** Access, loading, parking and/or other traffic related commitments shall be per the limitations set forth below:

- a) ~~As to the City of Columbus owned portion of Shook Road, Developer agrees to widen to two (2) lanes and/or repair or replace, per City of Columbus standards~~ **As to the City of Columbus owned portion of Shook Road (from State Route 317 north to the City of Columbus boundary) Developer agrees to widen to a minimum of twenty-two (22) feet across and overlay three (3) inches.**

**Upon development of the land known as the Rickenbacker West Industrial Park and provided the total square footage of structures (excluding fencing) on the site meets or exceeds two (2) million square feet, Developer agrees to overlay an additional three (3) inches.**

- b) At Shook Road and the north site access, build a 314 ft (including a diverging taper) northbound left turn lane.
- c) At Shook Road and the north site access, build a 285 ft (including a diverging taper) southbound right turn lane.
- d) As to the roadway intersection at Rohr Road and Alum Creek Drive, Developer agrees to work with Franklin County to help improve the intersection at a future date.
- e) As to **the intersection of** State Route 317 and Shook Road, Developer agrees to make the following improvements upon development of the land the land known as the Rickenbacker West Industrial Park and provided the total square footage of structures (excluding fencing) on the site meets or exceeds two (2) million square feet:
  - i. At State Route 317 and Shook Road, build a 514 ft (including a diverging taper) southbound right turn lane.
  - ii. At State Route 317 and Shook Road, build a 506 ft (including a diverging taper) eastbound left turn lane.
  - iii. **At State Route 317 and Shook Road, build a 345 foot (including diverging taper) westbound left turn lane.**
- 4) **Buffering, Landscaping, Open Space, and / or Screening Commitments:** Buffering and landscaping shall be per the limitations set forth below:
  - a) Buffering and landscaping along the parcel's eastern boundary (Shook Rd) and southern boundary (London-Groveport Rd) will provide limited vegetative buffering and landscaping screening. Owner agrees to plant

deciduous and non-deciduous trees at regular, evenly-spaced intervals. Single **deciduous** trees shall be placed at evenly spaced intervals of one (1) every fifty (50) feet. ~~Deciduous~~ **Evergreen trees shall be elusters clustered shall be placed at every one hundred (100) feet, planted** ten (10) feet on center. Non-deciduous trees shall be a minimum of five (5) feet tall at installation. Deciduous trees shall be a minimum of two (2) inch caliper at installation.

- b) Deciduous trees should be limited to Maples, Elms, Honeylocust, Tilia, London Plane and/or Ginkgoes.
- c) A mounded and planted buffer will be provided on the subject site along the northern edge of the property bordering 6173 Shook Road (currently designated as parcel 150-002640). This area is more specifically depicted by Exhibit A and is comprised of the area between the northern entrance road to the site and the parcel to the north. The mound and plantings are intended to serve as a visual screen and sound buffer for the existing residence.

The buffer will extend from the former canal bed at the southwestern corner of 6173 Shook Road to the right-of-way line excluding any required **City of Columbus** vision clearance area. The width of the buffer as depicted varies from approximately 50' to 100'. The buffer area will include the following:

- i. ~~A 3' to 4' continuous mound to be installed concurrent with development of the property. The face of the mound shall not be located closer than 15' to the residential property line. The mound will be designed and graded so that water will not be trapped between the mound and the residential property. Following the execution of an easement between Developer and the northern adjacent residential property owner providing Developer with approximately a twelve (12) foot wide access easement onto property owner's land, a continuous mound, approximately eight (8) feet in height, will be installed concurrent with development of the property to assist in buffering and shielding the northern adjacent residential property owner from the development site. The mound will be designed and graded so that water will not be trapped between the mound and the residential property.~~

**If an easement is not granted as described above, a six (6) foot high continuous mound is to be installed concurrent with development of the property. The mound will be designed and graded so that water will not be trapped between the mound and the residential property.**

- ii. ~~The area between the top of the mound and the residential property shall be landscaped with evergreen trees. Six evergreen trees, of 5' to 8' in height, and six additional evergreen trees, of 3' to 5' in height, shall be planted per 100 lineal feet of mound. Trees should not be planted in rows. -the variety of which shall be Norway Spruce. Six evergreen trees, of five (5) feet to eight (8) feet in height when planted, and six (6) additional evergreen trees, of three (3) feet to five (5) feet in height when planted, shall be planted per one-hundred (100) lineal feet of mound along the total length of the mound. Trees should not be planted in rows.~~
- iii. A combination of evergreen and deciduous shrubs **will be planted** at a rate of two per evergreen tree.
- iv. The evergreen trees shall be limited to a mix of six species: White Fir, Norway Spruce, Black Hills Spruce, Douglas Fir, White Spruce, and Colorado Green Spruce.
- v. No deciduous trees shall be planted between the top of the mound and the residential area.
- vi. The entire mound shall be seeded.
- vii. **Additional mounding, buffering, and landscaping included herein between the northern access road to subject site and northern adjacent residential property shall continue for so long as said property is zoned or used residentially.**

**Any change from residential use on the property to the north (currently designated as parcel 150-002640) will result in that property owner maintaining any and all parts of the mounding, buffering, and landscaping contained on said owner's property.**

- d) **An additional buffer shall be located along the southern side of the main access road. Continuous mounding, buffering, and landscaping shall assist in serving to screen the northern adjacent residential property owner from the development site.**
  - i. **A four (4) to six (6) foot continuous mound is to be installed at the north east portion of the subject site on the southern side of the main access road**
  - ii. **Trees included along said buffer shall be deciduous and a minimum of two (2) inch caliper at installation. Deciduous trees will be planted along the entire mound at even intervals, twenty-five (25) feet on center. Deciduous trees should be limited to Maples, Elms, Honeylocust, Linden, London Plane, and/or Ginkgoes.**
  - iii. **Additional landscaping may be added by Developer as needed to enhance the aesthetic and screening quality of said buffer.**
- ~~d)e)~~ **All trees and landscaping shall be reasonably maintained. Dead items shall be replaced within six (6) months or the next planting season, whichever occurs first.**
- 5) **Graphics Commitments:** All graphics and signage shall comply with the Graphics Code, Article 15, Title 33 of the Columbus City Code as it applies to the M, Manufacturing District. Any variance to those requirements will be submitted to the Columbus Graphics Commission for consideration.
  - a) **Developer agrees that the main entrance sign to said development will be located at the south side of the main access road with Shook Road in a location where practicable and in context with existing easements and right-of-way. No graphics or entrance signs will be placed at the northern side of the main access road with Shook Road for so long as the northern adjacent property is zoned or used residentially.**
- 6) **Miscellaneous Items:**
  - a) **Bike racks will be provided.**

**SECTION 4.** ~~That this ordinance shall take effect and be in force from and after the earliest period allowed by law.~~ **That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or 10 days after its passage if the Mayor neither approves nor vetoes the same.**
