BACKGROUND:

The Municipal Court Judges have been provided funding from the Public Safety Initiatives Fund in order to continue services for the Specialty Docket Programs. This legislation authorizes a transfer of \$380,000. The Specialty Docket consists of three programs, the Solicitation Program, the Addiction Program and the Military and Veteran's Court Program. The Solicitation Program Specialty Docket, Changing Actions To Change Habits (CATCH Program), is intended to provide a mechanism to promote effective treatment as an alternative to incarceration for a person whose multiple solicitation arrests, summons and charges have negatively impacted the person's quality of life and community safety. Many of these individuals have a history of multiple arrests, criminal behavior, drug addiction, poverty and being victimized as a result of soliciting. The CATCH Program requires limited court involvement in treatment planning and compliance, which should result in more effective utilization of other court and county resources.

The Addiction Program Specialty Docket (APSD) provides a mechanism to promote effective treatment as an alternative to incarceration for a person whose arrests, summons and charges are associated with alcohol and/or chemical dependence (AOD), which negatively impact the person's quality of life and community safety. Many of these individuals have a history of multiple arrests, typically OMVI, criminal behavior, drug addiction, poverty and transient housing. The APSD requires limited court involvement in treatment planning and compliance, which should result in more effective utilization of other county and court resources.

The Military and Veteran Specialty Docket is intended to promote effective treatment as an alternative to incarceration for people whose criminal charges may be directly or indirectly connected to military service or combat. The arrests, summons, and charges obtained by these individuals have a negative impact on their quality of life and the safety of the community. Many of these individuals will have suffered from drug addiction, poverty, and a lack of community support. The Military and Veteran Service Specialty Docket Program requires limited court involvement in treatment planning and compliance, which should result in more effective utilization of other court and county resources.

FISCAL IMPACT: To authorize appropriation of \$380,000 to the Public Safety Initiatives Fund and to transfer cash totaling \$380,000 from the Public Safety Initiative Fund to the Municipal Court's Specialty Docket Program. No additional appropriation is needed in the Municipal Court's Specialty Docket Program at this time.

EMERGENCY: Emergency action is requested to continue funding of the program without interruption.

To authorize the appropriation of \$380,000.00 from the Public Safety Initiative Fund; to authorized the City Auditor to transfer said funds from the Public Safety Initiative Fund to the Municipal Court's Specialty Docket Program Fund; and to declare an emergency. (\$380,000.00)
