Council Variance Application: CV04-027

APPLICANT: Terry Brodnax; 2600 Thorndale Avenue; Columbus, Ohio 43207.

PROPOSED USE: Private garage as a principal use.

CITY DEPARTMENTS' RECOMMENDATION: Disapproval. The lot is zoned SR, Suburban Residential District, and was once developed with a single-family dwelling that has been demolished. A fire-damaged garage had remained on the lot, but was recently demolished to comply with a Zoning code violation. The applicant is requesting a Council variance to construct a new 720 square foot private garage as the only use on the lot. The applicant lives in the home directly north of the lot and desires an additional garage for the storage of lawn equipment and motor vehicles. Staff does not support a garage as the only use on a parcel within a single-family subdivision. The Code specifically states that "a private garage shall not be an accessory use to a lot in a residential district unless such lot is occupied by a dwelling..."

To grant a Variance from the provisions of Sections 3332.029, SR, Suburban Residential District; and 3332.38(A), Private garage; of the Columbus City codes for the property located at **2618 THORNDALE AVENUE (43207)**, to permit a private garage as the principal use of a lot in the SR, Suburban Residential District (Council Variance # CV04-027).

WHEREAS, Section 3332.029, SR, Suburban Residential District, does not permit a garage as a principal use of a lot within the district, while the applicant proposes to construct a private garage as the only use on the property; and

WHEREAS, Section 3332.38(A), Private garage, states that a private garage shall not be an accessory use to a lot in a residential district unless such lot is occupied by a dwelling, while the applicant proposes no dwelling; and

WHEREAS, City Departments recommend disapproval because the requested Council variance will allow a 720 square foot private garage as the only use on the lot. The applicant lives in the home directly north of the lot and desires an additional garage for the storage of lawn equipment and motor vehicles. Staff does not support a garage as the only use on a parcel within a single-family subdivision. The Code specifically states that "a private garage shall not be an accessory use to a lot in a residential district unless such lot is occupied by a dwelling..."; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **2618 THORNDALE AVENUE (43207)**, in using said property as desired and; now, therefore:
