This ordinance amends current authorized strength, as set forth in ordinance 1136-2013, by amending the strength of various general, other city, and grant fund sanctioned agencies to be consistent with the 2013 amended budget. The strength levels for most general fund agencies are set to be equal to the 2013 budget as amended by City Council (including the Departments of Health and Recreation and Parks). Authorized strength levels of smaller non-general fund agencies are set to be equal to the adopted 2013 budget as amended, while the strength levels of certain larger non-general fund agencies may have their strength set slightly higher to allow for flexibility in hiring.

Fiscal Impact - Funds for these strength increases are budgeted and/or the positions will not be filled until revenues have been clearly identified and appropriated. In all cases, the ability to hire will be monitored by the Division of Financial Management. As such, there is no negative fiscal impact associated with passage of this ordinance.
