Council Variance Application # CV13-023

APPLICANT: Columbus Metropolitan Library; c/o Christopher N. Slagle, Atty.; Bricker & Eckler; 100 South Third Street; Columbus, OH 43215.

PROPOSED USE: Public library and parking lot.

LIVINGSTON AVENUE AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The requested Council variance will allow the site to be redeveloped with a 15,000 square-foot public library and an over-flow parking lot in the C-4, Commercial and R-3, Residential Districts, respectively. The R-3 District does not permit a parking lot as a primary use, and the C-4 District property that encompasses the library building site is included to vary stacking/by-pass lane requirements, interior parking lot landscaping, vision clearance, and building setbacks. Although the C-4 District property is within the Urban Commercial Overlay (UCO), institutional uses do not qualify for the UCO setbacks which are more consistent with the established development pattern along East Livingston Avenue. The new library will replace the currently outdated, undersized Driving Park Library located at 1566 East Livingston Avenue, with a modern, energy-efficient facility that will become a long-term community asset. *The Near Southside Plan* (2011) recommends mixed-use neighborhood commercial/medium density residential development for this location. The Plan generally discourages commercial developments from encroaching upon residential uses beyond the alley, but this scenario may be supported in limited

circumstances, provided that the project adequately addresses the following key considerations: compliance with the Urban Commercial Overlay, provision of buffering and landscaping for adjacent residential uses, minimizing impact on contributing neighborhood building stock, and avoidance of negative off-site impacts, such as noise, light, and odor. Support is also based on the proposal's consistency with other recommendations from the Plan, as well as site-specific considerations and compatibility of the proposed land use with adjacent properties. Staff has determined that this proposal complies with the Plan considerations, and is compatible with the surrounding residential development.

To grant a Variance from the provisions of Sections 3332.035, R-3, Residential District; 3312.11, Drive-in stacking area; 3312.21(A), Landscaping and Screening; 3321.05(B)(2), Vision clearance; and 3356.11(A)(2), C-4 district setback lines, of the Columbus City Codes; for the property located at **1422 EAST LIVINGSTON AVENUE (43206)**, to permit an accessory parking lot with reduced interior landscaping in the R-3, Residential District, and reduced development standards for a public library in the C-4, Commercial District **and to declare an emergency** (Council Variance # CV13-023).

WHEREAS, by application #CV13-023, the owner of property **1422 EAST LIVINGSTON AVENUE (43206)**, is requesting a Variance to permit an accessory parking lot with reduced interior landscaping in the R-3, Residential District, and reduced development standards for a public library in the C-4, Commercial District; and

WHEREAS, Section 3332.035, R-3, Residential District, does not permit a parking lot as a principal use, while the applicant proposes to construct a parking lot across the alley from a new public library; and

WHEREAS, Section 3312.11, Drive-in stacking area, requires four (4) stacking spaces for the drive-up book drop with a minimum ten (10) foot wide by-pass lane, while the applicant proposes zero (0) stacking spaces and no by-pass lane; and

WHEREAS, Section 3312.21(A), Landscaping and Screening, requires the interior of any parking lot containing ten (10) or more parking spaces to provide one (1) deciduous tree per ten (10) spaces, or seven (7) trees total for sixty-seven (67) parking spaces, while the applicant proposes no trees within the parking lot interior, but instead will provide thirty (30) trees on the exterior boundaries of the parking lots as shown on the Site Plan; and

WHEREAS, Section 3321.05(B)(2), Vision clearance, requires that a thirty (30) foot clear vision triangle shall be maintained on each lot adjacent to a street intersection, while the applicant proposes encroachment into the clear vision triangle at the intersection of East Livingston and Kelton Avenues as shown on the Site Plan; and

WHEREAS, Section 3356.11(A)(2), C-4 district setback lines, requires a building setback line that equals one-half of the right-of-way as denoted on the Columbus Thoroughfare Plan, or fifty (50) feet along East Livingston Avenue, and thirty (30) feet along Kelton Avenue, while applicant proposes zero (0) feet as shown on the Site Plan; and

WHEREAS, this variance will permit an accessory parking lot in the R-3, Residential District with reduced interior landscaping, and reduced development standards for a public library in the C-4, Commercial District; and

WHEREAS, the Livingston Avenue Area Commission recommends approval; and

WHEREAS, City Departments recommend approval because the request is consistent with *The Near Southside Plan* (2011) land-use recommendations and several considerations that support encroachment of commercial development beyond the alley. The proposed new library will replace the currently outdated, undersized Driving Park Library with a modern, energy-efficient facility that will become a long-term community asset that is compatible with the development pattern of the area; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1422 EAST LIVINGSTON AVENUE (43206)**, in using said property as desired;

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That a variance from the provisions of Sections 3332.035, R-3, Residential District; 3312.11, Drive-in stacking area; 3312.21(A), Landscaping and Screening; 3321.05(B)(2), Vision clearance; and 3356.11(A)(2), C-4 district setback lines, of the Columbus City Codes; is hereby granted for the property located at **1422 EAST LIVINGSTON AVENUE (43206)**, insofar as said sections prohibit an accessory parking lot in the R-3, Residential District for a public library in the C-4, Commercial District, with no stacking spaces or a by-pass lane for the library book-drop, no interior parking lot trees where seven (7) are required, encroachment into the clear vision triangle at the intersection of East Livingston and Kelton Avenues, and zero (0) foot building setbacks where fifty (50) feet is required along East Livingston Avenue, and thirty (30) feet is required along Kelton Avenue; said property being more particularly described as follows:

SECTION 2. That this ordinance is conditioned on and shall remain in effect only for so long as said property is used as a public library with an accessory parking lot.

SECTION 3. That this ordinance is further conditioned on substantial compliance with the plans titled, "CML DRIVING PARK LIBRARY," and "BUILDING ELEVATIONS," dated May 24, 2013, and signed by Christopher N. Slagle, Attorney for the Applicant. The plans may be slightly adjusted to reflect engineering, topographical, or other site data developed at the time of the development and when engineering and architectural drawings are completed. Any slight adjustment to the plans shall be reviewed and may be approved by the Director of the Department of Building and Zoning Services, or a designee, upon submission of the appropriate data regarding the proposed adjustment.

SECTION 4. That this ordinance is further conditioned upon the applicant obtaining all applicable permits and a Certificate of Occupancy for the proposed use.

SECTION 5. ~~That this ordinance shall take effect and be in force from and after the earliest period allowed by law.~~
That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby

declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or 10 days after its passage if the Mayor neither approves nor vetoes the same.
