The purpose of this legislation is to authorize the Director of Public Utilities to enter into a contract with General Temperature Control, Inc. for the purpose of providing Boiler Maintenance Services for the Department of Public Utilities facilities at Southerly Wastewater Treatment Plant, Jackson Pike Wastewater Treatment Plant, Sewer Maintenance Operations Center and the Dublin Road Water Treatment Plant, FEM Project No. 1502.7. Other Department facilities may be added in the future. The work to be performed under this contract will be mainly boilers and their associated equipment and systems that require inspection, testing, troubleshooting, chemical addition and balancing, maintenance, and repair or replacement of failed components. The work may also include updating of software and firmware for the various boiler system heating units or any boiler associated equipment. Maintenance and repair of piping systems, fees for State Inspections and necessary chemicals are also considered part of the boiler system and therefore part of the required work.

The Department of Public Utilities solicited Competitive Bids for the subject services in accordance with the provisions of Section 329 (SA004871). Sixteen (16) vendors were solicited (16 MAJ). Two (2) bids (2 MAJ) were received, on April 10, 2013. General Temperature Control, Inc. was determined to be the lowest, most responsive, responsible and best bidder.

This contract is for one (1) year, from the date of execution, with the option to renew for three (3) additional years based upon mutual agreement, budgeted funds and approval by City Council.

SUPPLIER: General Temperature Control, Inc. (31-1201236), Expires March 13, 2014

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited

from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

FISCAL IMPACT: \$166,740.00 is budgeted and needed for this expenditure for the Division of Sewerage and Drainage. \$20,000.00 is budgeted and needed for this expenditure for the Division of Water.

\$118,101.82 was spent in 2012
