Background:

This ordinance will authorize the transfer of \$600,000.00 within the voted Recreation and Parks Bond Fund No. 702 to allow for funding for administration, supplies, tree replacements, and to remove Emerald Ash Borer (EAB) infested and damaged trees, and to properly align the Capital Improvement Budget. This ordinance will establish an Auditor's Certificate and authorize the expenditures for EAB management, park improvements, and the purchase of needed equipment and supplies through the City of Columbus Purchasing Office. All bids will be obtained and contracts awarded using City Code 329, however this legislation will set up all the required funding to enter into contracts with the vendors on an as-needed basis. In order to continue the removal of the infested and hazardous trees immediately, we are requesting the authorization of \$820,359.00 in voted bond funds and the authorization for the Director of Recreation and Parks and the Director of Finance and Management to enter into various contracts relating to the EAB management process and equipment needs. All equipment and supplies will be bid through the City of Columbus Purchasing System and all contracts will be approved by the Director of Finance and Management. In order to have the tree replacements available for fall 2013 planting, it is necessary to authorize this expenditure to have the funding and approval complete when the bidding has been finalized. Competitive bids will be solicited using City Code 329 or obtained through any current universal term contract for all Emerald Ash Borer related expenditures. Emergency legislation is required to continue with the removal of hazardous and infested trees immediately.
