The City's East Central Neighborhood Health Center is located at 1180 E. Main Street and access to the center and parking is shared with the Central Community House. There has been an issue with limited parking to support the health center since its opening and with the continued growth of patients accessing health care services at East Central, the lack of adequate parking has become a significant issue negatively impacting the operation of the health center. For several years the Real Estate Management Office (REMO) has been working to acquire additional land adjacent to the East Central Neighborhood Health Center site. REMO has now reached an agreement with Tawfig Albast and Muwaffaq I. Kh. Albast, aka Mowaffaq Ibrahim Khalil Albast collectively, the owners of four contiguous parcels adjacent to the 1180 E. Main site, for the purchase of the parcels with terms acceptable to the City. The purchase of the parcels will allow the City to expand the existing parking lot and provide adequate parking for the patients and staff at the East Central Neighborhood Health Center.

This legislation authorizes the Director of Finance and Management to execute those documents necessary to purchase the four parcels of land commonly known as: Franklin County Parcel ID 010-007900 (1198 E. Main Street,); Franklin County Parcel ID 010-050819 (1204 E. Main Street); Franklin County Parcel ID 010-132071 (1204 E. Main (R) Street); and Franklin County Parcel ID 010-050816 (1208-1210 E. Main Street). The total area of the four parcels is ±0.581 acres. The purchase price for the acquisition of the properties is \$150,000. Purchase contingencies include, but are not limited to, the satisfactory completion of an Environmental Site Assessment (Phase I ESA and Phase II, if necessary) and surveys.

Fiscal Impact: This ordinance authorizes the appropriation and expenditure of \$160,000 from the cash reserves of the Neighborhood Health Center Capital Reserve Fund. Sufficient cash is available in the fund for this expenditure.

Emergency Justification: Emergency action is requested to allow for the immediate execution of the purchase agreement

by the City to allow for the immediate execution of the purchase agreement by the City so that the acquisition can proceed in agreement with the closing transaction deadlines and other terms of the purchase contract and allow adequate time for construction of the parking improvements.
