### BA14-001

**BACKGROUND:** A boundary adjustment between the City of Columbus and the City of Grandview Heights (Grandview Heights) has been proposed. The subject area consists of a long narrow (approximately six feet wide) north-south strip of property currently in Columbus on the eastern edge of Grandview Yard. The proposed adjustment moves the corporate boundary slightly eastward to sync up with the western right-of-way of Rail Street (to be within Columbus). A plat for the new Rail Street was approved by Columbus City Council on June 9. This legislation is being filed in response to the provisions of the Ohio Revised Code - section 709.37 regarding municipal boundary adjustments. Parallel legislation has been submitted to Grandview Heights Council. Columbus approval will allow the adjustment proposal to be submitted to Franklin County for finalization.

**FISCAL IMPACT:** None. No funding is required for this legislation.

To agree to an adjustment to the City's boundaries by consenting to transfer approximately 0.5+/- acres from the City of Columbus to the City of Grandview Heights.

**WHEREAS,** a narrow strip of property along the west side of Rail Street to the south of Third Avenue is located in the City of Columbus but is adjacent to a larger tract of land located in the City of Grandview Heights; and

**WHEREAS,** it is in the best interest of all parties if the west right-of-way of Rail Street is coterminous with the boundaries of the two communities; and

**WHEREAS**, it is the desire of the City of Columbus to transfer the subject area, comprised of two portions of right-of-way, to the City of Grandview Heights which desires to accept said transfer; and

**WHEREAS**, the proposed transfer does not involve the transfer of territory inhabited by more than five voters; **now, therefore,**
