1. BACKGROUND

The City of Columbus, Department of Public Service, received a request from Brian S. Elliott and Maria A. Elliott asking the City for an encroachment easement to be granted to allow an existing house that was built in 1920 to remain within the public right-of-way. During the sale of this property it was discovered that eaves and gutters along both Kerr Street and Brickel Street encroached into the public rights-of-way. This property is located at 673 Kerr Street. The owners are requesting an encroachment easement area of four foot area along the west right-of-way line of Kerr Street and a four foot area along the south right-of-way line of Brickel Street.

A value of \$500.00 was established for this encroachment easement.

2. FISCAL IMPACT

The City will receive a total of \$500.00, to be deposited in Fund 748, Project 537650, for granting the requested encroachment easement.
