### REZONING APPLICATION # Z14-049

**APPLICANT:** Asherton Grove LLC, c/o Steve J. Fulkert, Architect; 677 Notchbrook Drive, Delaware, Ohio 43015.

**PROPOSED USE:** Single- and multi-unit residential development.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (6-0) on January 8, 2015.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site is partially developed with single-unit and multi-unit dwellings in the PUD-4, Planned Unit Development District which allows a maximum of 101 dwelling units at a density of 3.05 units/acre. The proposed PUD-4, Planned Unit Development District will allow the continued development of the site with different dwelling types for a total of 96 dwellings with a maximum density of 2.88 units/acre. This request represents a reduction of 5 dwelling units. The proposed PUD-4 district provides 15.9± acres of open space for 96 dwelling units, as opposed to 18.6± acres of open space for 101 dwelling units permitted under the current zoning. While the amount of proposed open space has decreased from 18.6± acres to 15.9± acres, Staff is supportive of the proposed site plan because the overall density will be reduced, and more single-unit detached dwellings are planned. Columbus City Code requires 1.32 acres of developed open space for 96 units in the PUD-4; this proposal far exceeds the code requirement by 14.58 acres. The PUD plan and notes provide customary development standards such as street trees, sidewalks, parking/towing language, and parking and garage requirements. In addition, provisions have been made for possible street connection to adjacent properties, and a conservation easement has been established for the wooded area located in the southeast section of the site. This proposal is more consistent with *The Northland Plan Volume II* recommendation for single-unit residential development at a maximum density of three units per acre, and with the zoning and development pattern of the area.

To rezone **4601 CENTRAL COLLEGE ROAD (43081)**, being 33.37± acres located at the southeast corner of Central College and Ulry Roads, **From:** PUD-4, Planned Unit Development District, **To:** PUD-4, Planned Unit Development District (Rezoning # Z14-049).

**WHEREAS**, application #Z14-049 is on file with the Department of Building and Zoning Services requesting rezoning of 33.37± acres from PUD-4, Planned Unit Development District, to PUD-4, Planned Unit Development District; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because this proposal is more consistent with *The Northland Plan Volume II* recommendation for single-unit residential development at a maximum density of three units per acre, and with the zoning and development pattern of the area. The requested PUD-4, Planned Unit Development District will allow a maximum of 96 detached single- and multi-unit dwellings on private streets with a proposed gross density of 2.88 units per acre and 15.9 acres of provided open space which far exceeds the 1.32 acres that is required by code; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
