BACKGROUND: This legislation is for the option to establish nine (9) UTC contracts for Water Meters, Yokes, Meter Setters and Appurtenances for the Division of Water, the sole user. These contracts will provide for the purchase of meters and related hardware and appurtenances for installation in the City's water distribution system. The term of the proposed option contracts would be approximately one year, expiring February 28, 2016, with the option to renew for one (1) additional year. The Purchasing Office opened formal bids on November 20, 2015.

The Purchasing Office is recommending award to the overall lowest, responsive, responsible and best bidders as follows:
