Rezoning Application Z14-051

APPLICANT: T&R Development; c/o Michael T. Shannon of Crabbe, Brown & James, LLP; 500 South Front Street, Suite 1200; Columbus, Ohio 43215.

PROPOSED USE: Multi-unit residential development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on January 8, 2015.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The requested ARLD, Apartment Residential District will allow an existing apartment complex to expand onto four lots fronting on Hilliard-Rome Road. Three lots are developed with single-unit dwellings zoned in the R, Rural District since annexation in 1974. The other lot is contiguous and was rezoned to the L-C-2, Limited Commercial District in 1998 for office redevelopment. That lot is still developed with a non-conforming single-unit dwelling because office redevelopment has not occurred. The site is located within the boundaries of the *Trabue/Roberts Plan* (2011), which recommends office uses for the Hilliard-Rome Road frontage, and medium-high density mixed-residential development for the majority of site. Deviation from the Plan recommendation is warranted because expansion of the existing apartment complex is more feasible than office redevelopment given the depth and size of the four 180-foot deep lots fronting on Hilliard-Rome Road. Furthermore, the site abuts existing apartment residential development to the south and west of the site that also fronts Hilliard-Rome Road. This request was filed with a companion Council variance (CV14-057) to reduce development standards, including, dumpster area, building lines, perimeter yard, and height. The variance also commits to a site plan, and includes landscaping and elevation drawings that ensure that the proposal is consistent with the adjacent residential developments.

To rezone **2340 HILLIARD-ROME ROAD (43026)**, being 17.24± acres located on the east side of Hilliard-Rome Road, at the intersection with Asics Drive, **From:** R, Rural, L-C-2, Limited Commercial, and AR-12, Apartment Residential Districts, **To:** ARLD, Apartment Residential District **and to declare an emergency** (Rezoning # Z14-051).

WHEREAS, application #Z14-051 is on file with the Department of Building and Zoning Services requesting rezoning of 17.24± acres from R, Rural, L-C-2, Limited Commercial, and AR-12, Apartment Residential Districts, to ARLD, Apartment Residential District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the proposed ARLD, Apartment Residential District, which will allow an existing apartment complex to expand onto four lots fronting on Hilliard-Rome Road, is compatible with the existing development in the area. The site is located within the boundaries of the *Trabue/Roberts Plan* (2011), which recommends office uses for the Hilliard-Rome Road frontage, and medium-high density mixed-residential development for the majority of site. Deviation from the Plan recommendation is warranted because expansion of the existing apartment complex is more feasible than office redevelopment given the depth and size of the four 180-foot deep lots fronting on Hilliard-Rome Road. Furthermore, the site abuts existing apartment residential development to the south and west of the site that also fronts Hilliard-Rome Road; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
