**BACKGROUND:**

This ordinance authorizes the Director of the Department of Technology to modify an agreement with Michael Vander Does, to provide professional services in support of Columbus Television (CTV) renovation projects. The original agreement (ED046822) was executed August 16, 2012, and subsequently modified by authority of ordinance 2338-2012, passed December 3, 2012, through purchase order EL013767 and ordinance 2645-2013, passed December 2, 2013, through purchase order EL015117. This modification will extend the agreement to provide additional professional services. The modified agreement will be for a term period of one year from the date of a purchase order certified by the Columbus City Auditor's Office, and will provide an additional \$13,800 to assist City staff in managing the renovation projects.

\*Amount of additional funds to be expended: \$13,800.00

ED046822	\$19,000.00
EL013767 Modification # 1	\$20,000.00
EL015117 Modification # 2	\$18,000.00
Modification # 3	\$13,800.00

TOTAL      \$70,800.00

To meet immediate service needs, this modification adds an additional \$13,800.00 to the existing agreement to provide for services to support the effective management and documentation of the renovation project.

\*Reasons additional goods/services could not be foreseen:

These additional needs have arisen from several unforeseen construction requirement and design changes that were not anticipated when the original agreement was established.

\*Reason other procurement processes are not used:

Given Mr. Vander Does' involvement in the original design work and design modification, it is in the City's best interests to retain his services in support of the renovation project. Procuring these services from another vendor would diminish the efficiency and effectiveness of those services, as an alternate vendor would not be familiar with the designs.

\*How cost of modification was determined:

The cost of the service was negotiated with Mr. Vander Does. Mr. Vander Does will provide services as specified the statement of work as part of this one year agreement, and will enable the City to better document and manage the project.

Given that this service is being procured without competitive bidding, this ordinance requests a waiver of competitive bidding requirements of Columbus City Code, in accordance with Chapter 329.

**FISCAL IMPACT:**

During 2012 and 2013, the Department of Technology (DoT) encumbered a total of \$39,000.00 and \$18,000.00 respectively for renovation design services for the modernization of the CTV facilities as part of the technology transition to HDTV. The funds for this contract modification in the amount of \$13,800.00 are available in the Department of Technology, Information Services Division, internal service fund. Including this modification, the aggregate contract total amount is \$70,800.00.
