Rezoning Application Z14-048

APPLICANT: Chablis LLC; c/o Jeffrey L. Brown, Atty.; Smith and Hale LLC; 37 West Broad Street, Suite 460; Columbus, Ohio 43215.

PROPOSED USE: To update an existing CPD for a shopping center to permit increased restaurant square footage, increased parking, and a second freestanding sign.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on January 8, 2015.

CITY DEPARTMENTS' RECOMMENDATION: The site is developed with a shopping center and zoned in the CPD, Commercial Planned Development District. The current CPD district limits the amount of permitted restaurant space, requires the same building materials on all sides of the building, and permits only one ground sign. The proposed CPD district will permit a second ground sign, increase permitted restaurant space with a commensurate increase in provided parking spaces, and provides for alternative building materials on the rear elevation of the building. The CPD text addresses customary use restrictions, site access, landscaping and buffering, outdoor display controls and lighting standards, and is consistent with previous development texts for this site. All other use restrictions and development standards in the current CPD district are reiterated in this proposal.

To rezone **5746 FRANTZ ROAD (43016)**, being 5.8± acres located on the east side of Frantz Road, across from the intersection with Keating Drive, From: CPD, Commercial Planned Development District, To: CPD, Commercial Planned

Development District **and to declare an emergency** (Rezoning # Z14-048).

WHEREAS, application #Z14-048 is on file with the Department of Building and Zoning Services requesting rezoning of 5.8± acres from CPD, Commercial Planned Development District, to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the request is consistent and compatible with surrounding development. The requested CPD, Commercial Planned Development District will allow the existing commercial development to add a freestanding sign, parking, and restaurant square footage, is consistent with the zoning and development pattern of the area, and contains appropriate development standards; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
