BACKGROUND: This ordinance authorizes the modification of the contract approved through Ordinance 0835-2015 for the purchase of one (1) midship mounted aerial platform and equipment for the Division of Fire from Sutphen Corporation. The Division of Fire will utilize this platform ladder truck as a first responder on all multiple alarm fires.

Ordinance 0835-2015 was passed July 16, 2015 to authorize the purchase of one (1) midship mounted aerial platform and equipment for the Division of Fire from Sutphen Corporation. Based upon the authorization granted by Ordinance 0835-2015, the Finance and Management Director signed a contract with Sutphen Corporation for this purchase (FL006296).

Bid Information: In 2013, a Formal Request for Proposal (RFP) was solicited (SA004849) for the purchase of one (1) midship mounted aerial platform, and evaluated by a seven (7) member committee. An award recommendation was made to Sutphen Corporation, via Ordinance 1827-2013 which passed on 09/26/13. Sutphen Corporation honored the same price quoted to the Division of Fire in 2013, for the purchase of this midship mounted aerial platform purchased in 2015 (FL006296), which was authorized by Ordinance 0835-2015. Competitive bidding was waived at that time so the Division of Fire could purchase the same vehicle and equipment as was previously ordered in 2013. However, modifications to the midship mounted aerial platform ladder truck were made after the contract was signed, necessitating Council action for approval of this modified contract.

Contract Compliance: Sutphen Corporation (#31-0671786) - Active C.C. 04/21/2017

Emergency Designation: The Division of Fire requests emergency legislation so that the payment for one (1) midship mounted aerial platform and equipment can happen immediately. The platform ladder truck is currently under construction with an estimated completion date of May 1, 2016.

FISCAL IMPACT: Ordinance 0835-2015 authorized the expenditure of \$1,199,768.19 from the Fire Division's Safety Bond Platform Replacement Fund. Due to an increase in various equipment costs, a modification to the contract of \$9,432.99 is necessary. This ordinance also amends the 2015 Capital Improvement Budget to properly align appropriations with projected expenditure.

To amend the 2015 Capital Improvement Budget; to authorize the Finance and Management Director to modify a contract with Sutphen Corporation for the purchase of one (1) midship mounted aerial platform and equipment for the Fire Division (FL006296); and to declare an emergency. (\$9,432.99)

WHEREAS, City Council approved the purchase of one (1) midship mounted aerial platform and equipment for use by the Fire Division in Ordinance 0835-2015; and

WHEREAS, a modification of the contract is necessary to accept the midship mounted aerial platform and equipment to be delivered in May 2016; and

WHEREAS, it is necessary to amend the 2015 Capital Improvement Budget to properly align appropriation with projected expenditure; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Safety, Division of Fire, in that it is immediately necessary to authorize and direct the Director of Finance and Management to enter into a contract modification with Sutphen Corporation for the purchase of one (1) midship mounted aerial platform and equipment for use in emergency services for the immediate preservation of the public health, peace, property, safety and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
