AN15-017

BACKGROUND: This ordinance approves the acceptance of certain territory (AN15-017) by the city of Columbus. The Ohio Revised Code stipulates that to be effective, City acceptance must take place a minimum of 60 days from the receipt by the City Clerk of the approval notice from the county. If City Council does not accept the ordinance within 120 days of its first consideration, the annexation will be considered rejected. Should City Council not take such action within this timeframe, the annexation will not take place. This petition was filed with Franklin County on February 9, 2016. City Council approved a service ordinance addressing the site on February 22, 2016. Franklin County approved the annexation on March 15, 2016 and the City Clerk received notice on April 25, 2016.

FISCAL IMPACT: Provision of municipal services does represent cost to the City; however, the annexation of land also has the potential to create revenue to the City.
