6/27/2016	1	Columbus City Council	Adopted	Pass

To recognize June 2016 as Alzheimer's & Brain Awareness Month and June 20, 2016 as The Longest Day.

WHEREAS, June is Alzheimer's & Brain Awareness Month, recognizing a disease that affects 5.4 million Americans and an estimated 210,000 Ohioans, and there is currently no way to treat, prevent, or even slow the progression of this fatal disease; and

WHEREAS, June 20 is The Longest Day in honor of the summer solstice, the longest day of the year, selected to signify that every day for a person living with Alzheimer's or acting as their caregiver is the longest day; and

WHEREAS, recognizing these events provides an opportunity to promote and join the global conversation about the brain, Alzheimer's disease, and other dementias; and

WHEREAS, the Alzheimer's Association is the largest non-profit funder of Alzheimer's research and provides care and support to those living with the disease today, with the help and support of its dedicated volunteers; and

WHEREAS, the Alzheimer's Association, Central Ohio Chapter is committed to meeting the needs of people affected by Alzheimer's disease and other forms of dementia through family and clinical support, education, advocacy and research; now, therefore

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF COLUMBUS: That this Council recognizes June 2016 as Alzheimer's & Brain Awareness Month and June 20, 2016 as The Longest Day in the hopes of realizing the vision of a world without Alzheimer's.
