Council Variance Application: CV16-015

APPLICANT: 876 S. Front LLC; c/o Donald Plank, Atty.; Plank Law Firm; 145 East Rich Street, 3rd Floor; Columbus, OH 43215.

PROPOSED USE: Multiple dwelling development.

BREWERY DISTRICT COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance No. 1814-2016; Z16-014) to the AR-1, Apartment Residential District to allow a 20-unit multiple dwelling development. The requested variances will permit four 2-unit dwellings as part of a multiple dwelling development in the AR-1, Apartment Residential District, a height increase to 40 feet from 35 feet, and vary fronting, building lines, and perimeter yard requirements. City Departments recommend approval as the Brewery District Plan recommends the preservation of the Brewery District's architectural and urban character through compatible redevelopment and rehabilitation. The 2-3 unit dwellings proposed on the site closely resemble the historic residential development styles in the surrounding district and compliment the corridor more than the aged industrial building currently existing on site.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1, apartment residential district use; 3309.14(A), Height districts; 3333.16, Fronting; 3333.18(D), Building lines; and 3333.255, Perimeter yard, of the

Columbus City Codes; for the property located at **882 SOUTH FRONT STREET (43206)**, to permit a 20-unit multiple dwelling development with reduced development standards in the AR-1, Apartment Residential District (Council Variance # CV16-015).

WHEREAS, by application No. CV16-015, the owner of property at **882 SOUTH FRONT STREET (43206)**, is requesting a Council variance to permit a 20-unit multiple dwelling development with reduced development standards in the AR-1, Apartment Residential District; and

WHEREAS, Section 3333.02, AR-12, ARLD and AR-1, apartment residential district use, prohibits 2 unit dwellings as part of a multiple dwelling development, while the applicant proposes four 2-unit dwellings within a multiple dwelling development; and

WHEREAS, Section 3309.14(A), Height districts, limits building height to 35 feet in an H-35 height district, while the applicant proposes a maximum building height of 40 feet for the proposed buildings; and

WHEREAS, Section 3333.16, Fronting, requires a dwelling unit to have frontage on a public street, while the applicant proposes units 16-20, to not front upon a public street, as shown on the site plan; and

WHEREAS, Section 3333.18(D), Building lines, requires a building line of no less than fifty feet along South Front Street, while the applicant proposes a reduced building line of 10 feet; and

WHEREAS, Section 3333.255, Perimeter yard, requires a minimum perimeter yard of 25 feet, while the applicant proposes perimeter yards between 0 to 5 feet as shown on the site plan; and

WHEREAS, the Brewery District Commission recommends approval; and

WHEREAS, City Departments recommend approval as the *Brewery District Plan* recommends the preservation of the Brewery District's architectural and urban character through compatible redevelopment and rehabilitation. The two and three-unit dwellings proposed on the site closely resemble the historic residential development styles in the surrounding district and compliment the corridor more than the aged industrial building currently existing on site; and

WHEREAS, said ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **882 SOUTH FRONT STREET (43206)**, in using said property as desired; now, therefore:
