This ordinance is to authorize the Director of Recreation and Parks to enter into various contracts for the management of the Emerald Ash Borer infestation.

Background: The Emerald Ash Borer (EAB) is an exotic boring insect from Southeast Asia, first identified in Michigan in 2002, that infests and eventually kills trees of the *Fraxinus* genus, more commonly known as ash trees. Once an ash tree is dead, its structural integrity diminishes quickly and it is not uncommon for large limbs to fail on both high wind and calm days without warning. First identified locally in 2003, Columbus is beginning its 10th year of the EAB infestation. It is estimated that approximately 30,000 ash trees of various sizes exist on City of Columbus property; this includes trees along streets, in parks, golf courses and on several municipal campuses.

In 2011, City leaders, in coordination with the City Forestry Division of the Recreation and Parks Department committed to an organized project approach to address the EAB crisis. To date, approximately 19,000 ash trees have been removed city wide. That is approximately 63% of the estimated public ash tree population.

This ordinance will allow immediate funding for administration, services, supplies, tree replacements, and to remove Emerald Ash Borer (EAB) infested and damaged trees. The supplies, services, and equipment needs that will be paid for as part of this funding request will include, but are not limited to, tree removal contracts, stump removal contracts, tree replacement contracts, cellular service contracts and supplies, office supplies, uniforms, computer supplies, EAB related forestry supplies, safety equipment, and City of Columbus Forestry employee staff time for the EAB project. All supply, service, and equipment needs related to the Emerald Ash Borer response have been established as one overall capital improvement approved project. Each direct purchase order, purchase order, or universal term contract will be written separately based on all City of Columbus Codes that apply.

This ordinance is requesting the authorization of \$295,000.00 in voted bond funds and the authorization for the Director of Recreation and Parks and the Director of Finance and Management to enter into various contracts relating to the EAB management process. This ordinance will establish an Auditor's Certificate and authorize the expenditures for EAB management, park improvements, and the purchase of needed equipment and supplies through the City of Columbus Purchasing Office. Contracts will be entered into in compliance with the relevant provisions of Columbus City Code Chapter 329, however this legislation will set up all of the funding required to enter into contracts with vendors on an as-needed basis. All purchases will be through competitive bids solicited and opened by the Purchasing Office, through any current universal term contract, or through any current State of Ohio purchasing contract, as previously authorized by Ordinance No. 582-87.

Emergency Justification: In order to continue the EAB removal and replacement program uninterrupted, it is necessary to authorize this expenditure to have the funding and approval complete when bidding on EAB contracts has been finalized. Emergency legislation is requested in order to continue addressing the EAB crisis as efficiently as possible.

Benefits to the Public: Hazardous trees and stumps will be removed, addressing safety concerns in public parks and right of way. Replacement trees will be planted, adding back to the tree canopy that has been lost to the EAB crisis Citywide.

Community Input Issues: Communities and neighborhoods hit the hardest by the Emerald Ash Borer crisis have expressed their desire for the dangerous trees to be removed and replacement trees planted to restore the tree canopy lost as a result of the infestation.

Area(s) Affected: The entire City of Columbus is affected by the Emerald Ash Borer crisis.

Master Plan Relation: This project will support the mission of the Recreation and Parks Master Plan by helping to meet the tree canopy goals established by the City.

Fiscal Impact: \$295,000.00 is required and budgeted in the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of these various expenditures.

To authorize the Director of Recreation and Parks to enter into various contracts for the management of the Emerald Ash Borer infestation; to authorize the Director of Finance and Management, on behalf of the Recreation and Parks Department, to enter into various contracts or issue purchase orders relating to the EAB management process; to establish an Auditor's Certificate in the amount of \$295,000.00; to authorize the expenditure of \$295,000.00 from the Recreation and Parks Voted Bond Fund; and to declare an emergency. (\$295,000.00)

WHEREAS, it is necessary to authorize the Director of Recreation and Parks Department to enter into various contracts for the management of the Emerald Ash Borer infestation, including the purchase of services, equipment, supplies and replacements trees, if necessary; and

WHEREAS, it is also necessary to authorize Director of Finance and Management to enter into various contracts relating to the EAB management process for the Recreation and Parks Department; and

WHEREAS, it is necessary to authorize and direct the City Auditor set up a certificate in the amount of \$295,000.00 for various expenditures in conjunction with the EAB management process; and

WHEREAS, an emergency exists in the usual daily operation of the Recreation and Parks Department in that it is immediately necessary to authorize the Director to enter into various contracts and establish this certificate in order to continue addressing the EAB crisis as efficiently as possible, thereby preserving the public health, peace, property, safety, and welfare; **NOW, THEREFORE**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Recreation and Parks is hereby authorized to enter into contracts for the purchase of services, equipment, supplies, and replacement trees, as necessary, for existing operations and future removal and replacement of damaged trees under the Emerald Ash Borer (EAB) project.

SECTION 2. That the Director of Finance and Management is also hereby authorized to enter into contracts for the EAB project needs on behalf of the Recreation and Parks Department.
