1. BACKGROUND

This legislation authorizes the Director of Public Service to execute a contract modification with HNTB Ohio Inc. (HNTB) in the total amount of up to \$5,000,000.00 for the continued provision of various professional services related to the Smart City Challenge, a collaborative effort by the U.S. Department of Transportation (USDOT) and Vulcan, Inc. seeking to “create a fully integrated, first-of-its kind city that uses data, technology and creativity to shape how people and goods move in the future.”

On June 23, 2016, the USDOT awarded the City of Columbus up to \$40 million in federal funds and up to \$10 million in matching funding from Vulcan, Inc. to assist in implementation of the City’s proposal to demonstrate how advanced data and intelligent transportation systems (ITS) technologies and applications that can be used to reduce congestion, keep travelers safe, protect the environment, respond to climate change, connect underserved communities, and support economic vitality.

Pursuant to Ordinance 1900-2016, the Department of Public Service initiated a procurement effort that resulted in the award and execution of a professional services contract with HNTB in the amount of up to \$400,000.00 for the provision of intelligent transportation system (ITS) program initialization and program management services related to the Smart City Challenge.

The purpose of this planned contract modification is to allow for the continuation of requisite services by HNTB through July 31, 2017.

Original contract amount:	\$400,000.00	(Ord. 1900-2016, PO021608)
Total of Modification No. 1:	<u>\$5,000,000.00</u>	
Contract amount including all modifications:	\$5,400,000.00	

Due to the nature of the USDOT and Vulcan grant reimbursements, professional support for the Smart City Challenge

Program will be awarded in annual funding phases. Additional contract modifications are expected on an annual basis throughout the four-year Smart City Challenge grant period. Legislation authorizing the Director of Public Service to execute a second planned contract modification with HNTB is projected to be brought before City Council for approval in July 2017.

2. CONTRACT COMPLIANCE

The contract compliance number for HNTB Ohio Inc. is 43-1628397, which expires on April 15, 2018.

3. FISCAL IMPACT

Funding in the amount of \$5,000,000.00 will be available in Fund 7768 Smart City for this project expenditure.

4. EMERGENCY DESIGNATION

Emergency action is requested to allow for the timely execution of the aforementioned contract modification so as to preclude any disruption in the provision of various professional services related to the Smart City Challenge and to adhere to the terms and conditions of that program.
