This legislation authorizes the Director of Finance and Management to enter into a contract with Kaffenbarger Truck Equipment Company for the purchase of three (3) Flat Bed Bodies with Tool Boxes and dedicated Compressed Natural Gas (CNG) engine conversions for the Division of Sewerage and Drainage, Sewer Maintenance Operations Center. The Flat Bed Bodies with Tool Boxes and dedicated CNG engine conversions will be used to up-fit existing trucks to haul equipment and supplies to repair sewers for the City of Columbus. When these up-fits are completed and the trucks are put into service they will replace BT#21686, BT#21758 and BT#23595. These CNG up-fits are in support of the Mayor's Get Green Initiative by reducing emissions.

The Purchasing Office advertised and solicited bids in accordance with the relevant provisions of City Code Chapter 329 relating to competitive bidding (Solicitation RFQ002411). Fifty (50) vendors were solicited and one (1) bid was received and opened on August 18, 2016. After a review of the bid, the Division of Sewerage and Drainage recommends an award be made to Kaffenbarger Truck Equipment Company in the amount of \$102,025.00 as the lowest responsive and responsible and best bidder.

The companies are not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.
