### 1. BACKGROUND

The Department of Public Service, Division of Refuse Collection, utilizes 96 gallon, 300 gallon and roll-off containers in its mechanized collection system for residential trash collection. The Division also requires replacement parts for containers that are not covered by warranties. The Purchasing Office has completed bidding or has established universal term contracts (UTC) for the purchase of these commodities. This legislation authorizes the Director of Finance and Management to establish purchase orders for the Division of Refuse Collection from established Universal Term Contracts (UTC) or completed bids.
