Background:

The purpose of this legislation is to expand the boundary of the Preserve Incentive District to include an area outside the boundary that was combined into a parcel within the boundary, thus making the entire parcel ineligible for exemption.

The Columbus City Council passed Ordinance No. 2117-2005 on December 14, 2005 establishing ten tax increment financing districts, one of which is known as the Preserve District (TIF District) benefiting parcels near Thompson Road pursuant to Section 5709.40(C) of the Ohio Revised Code to declare the improvements to certain parcels of real property located within the corporate boundaries of the City of Columbus, Ohio (the "City"), to be a public purpose and exempt from taxation, requires the owner of each parcel to make service payments in lieu of taxes, and specify public infrastructure improvements made, to be made or in the process of being made that directly benefit, or that once made will directly benefit, those parcels.

This legislation will amend Ordinance 2117-2005 to expand the boundary of the Preserve Incentive District to include the area formally known as parcels 010-214640 and 010-291717. Exhibit A.
