PROPOSED USE: Automobile repair.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (5-0) on December 8, 2016.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is zoned CPD, Commercial Planned Development District, and is developed with a vacant car wash facility. The proposed CPD district is compatible with adjacent commercial and primarily automotive-related development along Morse Road in this area. Additionally, the request is consistent with the land use recommendation of the *Northland I Area Plan* (2014), which recommends community commercial land uses at this location.

To rezone **3380 MORSE ROAD (43231)**, being 1.13± acres located on the north side of Morse Road, 290± feet west of Trindel Way, **From:** CPD, Commercial Planned Development District, **To:** CPD, Commercial Planned Development District (Rezoning # Z16-056).

WHEREAS, application # Z16-056 is on file with the Department of Building and Zoning Services requesting rezoning of 1.13± acres from CPD, Commercial Planned Development District, to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested CPD, Commercial Planned Development District is consistent with the recommended land use of the *Northland I Area Plan*, and is compatible with the adjacent land uses; now, therefore:
