Council Variance Application: CV16-065

APPLICANT: John Chess; 4263 Gavin Lane; Columbus, OH 43220.

PROPOSED USE: Microbrewery with off-site distribution.

HISTORIC RESOURCES COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance # 0751-2017-2016; Z16-065) to the CPD, Commercial Planned Development District to allow an eating and drinking establishment (microbrewery) and general office uses. This request will permit a microbrewery with off-site distribution in the CPD, Commercial Planned Development District. A 2,265± square foot building addition and 1,373± square feet of outdoor dining area are proposed for the microbrewery. The variance is necessary because breweries that distribute product off-site are listed as a more objectionable manufacturing use that must be located in the M, or M-1, Manufacturing district at least 600 feet from residentially-zoned land. A variance to reduce the distance separation requirement is included in the request as there are existing residential uses adjacent to the site. The proposed brewery will be a small-scale operation within a 1,117± square-foot building addition for production of product to be predominantly consumed and purchased on-site, with off-site distribution being ancillary to the on-site commercial uses. The nearest residential building is at least 90 feet from the microbrewery location, and similar variances have been approved for microbreweries in close proximity to residential uses.

To grant a Variance from the provisions of Sections 3361.02, Permitted uses; 3311.28(b), Requirements; and 3363.19(C), Location requirements, of the Columbus City Codes; for the property located at **5055 DIERKER ROAD (43220)**, to permit a microbrewery with reduced distance separation in the CPD, Commercial Planned Development District (Council Variance # CV16-065).

WHEREAS, by application No. CV16-065, the owner of property at **5055 DIERKER ROAD (43220)**, is requesting a Council variance to permit a microbrewery with reduced distance separation in the CPD, Commercial Planned Development District; and

WHEREAS, Section 3361.02, Permitted uses, permits a microbrewery for on-site consumption, while the applicant proposes a microbrewery with off-site distribution which the Zoning Code categorizes as a *more objectionable* manufacturing use; and

WHEREAS, Section 3311.28(b), Requirements, requires that more objectionable uses are to be conducted within the M or M-1, Manufacturing districts, and within not less than 600 feet from any residential districts, while the applicant proposes a microbrewery with off-site distribution in the CPD, Commercial Planned Development District on a lot that abuts residentially-zoned property; and

WHEREAS, Section 3363.19(C), Location requirements, requires *more objectionable* uses to be located a minimum of 600 feet from any residential or apartment residential district, while the applicant proposes a microbrewery with off-site distribution on a lot that abuts residentially-zoned property; and

WHEREAS, the Historic Resources Commission recommends approval; and

WHEREAS, City Departments recommend approval of the requested Council variance because the proposed microbrewery will be a small-scale operation for production of product to be predominantly consumed and purchased on-site, with off-site distribution being ancillary to the on-site commercial uses. The nearest residential building is at least 90 feet from the microbrewery location, and similar variances have been approved for microbreweries in close proximity to residential uses; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **5055 DIERKER ROAD (43220)**, in using said property as desired:
