**Background:** This legislation authorizes the Franklin County Municipal Court, Clerk of Court (“Municipal Court Clerk”) to modify the existing contract with CourtView Justice Solutions, Inc. (“CJS”) for the purchase of professional services to re-host the Ohio Courts Network (“OCN”) interface for the Municipal Court and Clerk’s Office (“Municipal Court”).

The Supreme Court of Ohio (SCO) updated the Ohio Courts Network (OCN) application, which resulted in the Municipal Court information not being received by OCN. The re-hosting service is necessary to reestablish the connection between the OCN system and the Municipal Court Case Management system for the exchange of information.

Ordinance 0422-2012 authorized Municipal Court Clerk to enter into a thirty-six (36) month contract with four (4) consecutive twelve (12) month renewal options with CJS for the purchase of maintenance, support, professional and optional services for the Franklin County Municipal Court Case Management System, in accordance with the sole source procurement provisions of the Columbus City Codes.

**Bid Information:**

Pricing was negotiated between CJS and the Municipal Court Clerk. Discounts were received for maintenance, support and software.

CJS is the sole source supplier of CourtView software maintenance and support services. The case management system is proprietary in nature. As such this legislation is being established in accordance with the sole source provisions of the Columbus City Code, Chapter 329.
