**Council Variance Application: CV16-059**

**APPLICANT:** New Life Group Home c/o Felicia Moon; 2764 Natalia Drive; Columbus, OH 43232.

**PROPOSED USE:** Shared living facility.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site is zoned L-R-2, Limited Residential District and is developed with a single-unit dwelling. The requested Council variance will allow a shared living facility for a maximum of 10 residents, ages 10-21, in an existing dwelling. The proposal also includes a reduction in the minimum number of required parking spaces which is supportable because the residents will not have vehicles. The site is located within the *Hamilton Road Corridor/Eastland Area Revitalization Plan* (2007), which recommends single and two-unit residential land uses at this location. The request is supportable because the shared living facility will be established in an existing dwelling with no exterior modifications to the appearance of the dwelling, and because the maximum number of residents will be 10 and will be ages 10-21 with supervision from a minimum of two staff members at all times.

To grant a Variance from the provisions of Sections 3332.033, R-2 residential district; and 3312.49(C), Minimum numbers of parking spaces required, of the Columbus City codes; for the property located at **2764 NATALIA DRIVE (43232)**, to permit a shared living facility with a maximum of 10 residents in an existing dwelling with reduced parking requirements in the L-R-2, Limited Residential District (Council Variance # CV16-059).

**WHEREAS**, by application # CV16-059, the owner of property at **2764 NATALIA DRIVE (43232)**, is requesting a Council variance to permit a shared living facility with a maximum of 10 residents in an existing dwelling with reduced parking requirements in the L-R-2, Limited Residential District (Council Variance # CV16-059); and

**WHEREAS**, Section 3332.033, R-2 residential district, does not permit shared living facilities, while the applicant proposes a shared living facility, with a maximum of 10 residents, in an existing dwelling; and

**WHEREAS**, Section 3312.49(C), Minimum numbers of parking spaces required, requires one parking space per 400 square feet for shared living facilities, equaling seven total required parking spaces for the 2,720 square foot shared living facility, while the applicant proposes two parking spaces; and

**WHEREAS**, the City Departments recommend approval of the requested variance because the shared living facility will be established in an existing dwelling with no exterior modifications to the appearance of the dwelling, providing supportive housing for a maximum of 10 residents, ages 10-21, with supervision from a minimum of two staff members at all times; and

**WHEREAS**, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **2764 NATALIA DRIVE (43232)**, in using said property as desired; now, therefore:
