This ordinance authorizes a grant agreement between Columbus City Council and Boy Scouts of America, Simon Kenton Council, in support of their refugee and immigrant outreach and recruitment efforts.

The Boy Scouts of America, in partnership with My Project USA, look to bring the Scouting program to the refugee/immigrant population on the west side of Columbus, with future expansion to other areas of the city. The goal of this program partnership is to bring a positive American tradition into these communities and provide safe, structured programming to young males who could otherwise be at risk of exposure to the negative influences of drug use, trafficking, and radicalization. The Scouting program is designed to not only impact that child, but the entire family, providing citizenship education, community service opportunities, life skills, and a sense of belonging in a structured environment. The Boy Scouts will start three Cub Scout Packs initially, serving the neighborhoods of Wedgewood, South Park, and River Point. This could impact upwards of 100 youth immediately, while also allowing local adults to take on leadership roles that will help develop their own interpersonal skills.

Fiscal Impact: Funding is available within the Neighborhood Initiatives subfund.
