Rezoning Application Z17-003

APPLICANT: Central Ohio Transit Authority; c/o Perry Payne, Resource International, Inc., Agent; 6350 Presidential Gateway; Columbus, OH 43231.

PROPOSED USE: COTA park and ride.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on May 11, 2017.

NORTH LINDEN AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is currently developed with a drive through carry-out and self-serve car wash, and is zoned in the CPD, Commercial Planned Development District (Z91-022). The applicant proposes the CPD, Commercial Planned Development District to permit a COTA park and ride development in conjunction with adjacent properties in Clinton Township. The development text will permit only the COTA park and ride use on the site with provisions for setbacks, access, buffering, and lighting. Variances for reduced front, rear, and side parking setback lines, parking lot drive aisle width, minimum parking lot trees, minimum soil area around trees, headlight screening, maneuvering, and parking space requirements are included mainly because the parking lot will be divided by parcel lines. The site is located within the *North Linden Neighborhood Plan Amendment* (2014) which recommends "community mixed use" for this location. The proposed use is compatible with the land use recommendation of the Plan which also encourages public transit, pedestrian, and bicycle use which are supported by this proposed development.

210± feet south of Elmore Avenue, From: CPD, Commercial Planned Development District, To: CPD, Commercial Planned Development District (Rezoning # Z17-003).

WHEREAS, application No. Z17-003 is on file with the Department of Building and Zoning Services requesting rezoning of 0.58± acres from CPD, Commercial Planned Development District, to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the North Linden Area Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested CPD, Commercial Planned Development District, is consistent with the land use recommendations of the *North Linden Neighborhood Plan Amendment* for community mixed-use development as it encourages public transit, pedestrian, and bicycle use which are supported by this proposed development; now, therefore:
