Council Variance Application: CV17-038

APPLICANT: Reza Reyazi; 4374 Kendale Road; Columbus, OH 43220.

PROPOSED USE: Two-unit residential development.

VICTORIAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of two parcels zoned in the ARLD, Apartment Residential District, with one parcel developed with a single unit dwelling, and the other parcel being undeveloped. The requested Council variance will permit the existing dwelling, located at 141 West Second Avenue, to be expanded and converted into a two-unit dwelling, and will allow the construction of a new two-unit dwelling on the undeveloped parcel. A Council variance is necessary because the ARLD, Apartment Residential District, per Section 3333.055, only permits a two-unit dwelling when the lot meets specific platting and area district exception criteria. BZA16-108 and BZA17-011 have been approved to permit two-unit dwellings on each of these lots, but it was recently discovered that the lots do not comply with Section 3333.055, thus necessitating this Council variance request. Variances for lot width, area district requirements, lot coverage, building lines, side yards, rear yard obstruction, and vision clearance are also included in the request. There is no Council adopted plan for this area. Staff finds that the proposal will not add incompatible uses to the area as the request is consistent with recent residential infill development proposals in historic urban neighborhoods, and is compatible with the mix of residential uses within this block of West Second

Avenue.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1, Apartment residential district use; 3321.05(B)(2), Vision clearance; 3333.09, Area requirements; 3333.11, ARLD area district requirements; 3333.15(C), Basis of computing area; 3333.19(a)(2), Building lines on corner lots; exceptions; 3333.22, Maximum side yard required; 3333.23, Minimum side yard permitted; and 3333.25, Side or rear yard obstruction, of the Columbus City Codes; for the properties located at **141 & 149 WEST SECOND AVENUE (43201)**, to permit two two-unit dwellings with reduced development standards in the ARLD, Apartment Residential District (Council Variance # CV17-038).

WHEREAS, Section 3333.15(C), Basis of computing area, limits lot coverage to 50 percent of the lot area, while the applicant proposes 58.6± percent lot coverage for the new dwelling located at 149 West Second Avenue; and

WHEREAS, this variance will permit two two-unit dwellings each on its own lot with reduced development standards in

the ARLD, Apartment Residential District; and

WHEREAS, the Victorian Village Commission recommends approval; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **141 & 149 WEST SECOND AVENUE (43201)**, in using said property as desired and; now, therefore:
