BACKGROUND

Four (4) encroachments into the public rights-of-way were requested by the owner of the property located at 77 East Nationwide Blvd. The owner of the property is 77 Hotel Partners LLC/Indus Hotel 77 LLC. This project is located at 77 East Nationwide Blvd. This site is proposing a new twelve story 167 room, hotel with roof top kitchen and bar. The encroachments will consist of four (4) foundations/piers into East Locust Street, which are at the south side of the property. During the design phase of this project, it was also determined that an ADA path and easement would be required for the benefit of the abutting property, so the owner has agreed to dedicate a sidewalk easement to the abutting property owner. The following legislation authorizes the Director of the Department of Public Service to execute documents necessary to grant these easements for the proposed building into the public rights-of-way. A value of \$2,000.00 was established for these encroachment easements.

The City will receive a total of \$2,000.00, to be deposited in Fund 7748, Project P537605 for granting the requested encroachment easements.

To authorize the Director of the Department of Public Service to execute those documents necessary for the City to grant encroachment easements to 77 Hotel Partners LLC/Indus Hotel 77 LLC for building foundations/piers at 77 East Nationwide Boulevard that will project into the public rights-of-way.

WHEREAS, four (4) encroachments into the public rights-of-way were requested by the owner of the property located at 77 East Nationwide Blvd; and

WHEREAS, the encroachments will consist of four (4) foundations/piers into East Locust Street, which are at the south side of the property. During the design phase of this project, it was also determined that an ADA path and easement would be required for the benefit of the abutting property, so the owner has agreed to dedicate a sidewalk easement to the abutting property owner; and

WHEREAS, a value of \$2,000.00 was established for these encroachments; and

WHEREAS, it has become necessary in the usual daily operation of the Department of Public Service to execute those documents necessary for the City to grant encroachment easements to 77 Hotel Partners LLC/Indus Hotel 77 LLC for building foundations/piers at 77 East Nationwide Boulevard that will project into the public rights-of-way; **now, therefore:**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Public Service be and is hereby authorized to execute those documents necessary to grant the following described easements and attached correlating exhibits; to-wit:
