Council Variance Application: CV17-022

APPLICANT: Gallas-Zadech Development, LLC; c/o Donald Plank, Atty.; Plank Law Firm; 411 East Town Street, 2nd Floor; Columbus, OH 43215.

PROPOSED USE: Multi-unit residential development.

NEAR EAST AREA COMMISSION RECOMMENDATION: Approval.

HISTORIC RESOURCES COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of a single undeveloped parcel zoned in the R-3, Residential District. The existing zoning is the result of a city-initiated downzoning of the neighborhood in 1993 (Z93-023A). A Council variance is necessary because the existing zoning district only permits single-unit dwellings, while the applicant proposes a fourteen-unit apartment building. Variances for reduced building lines and a reduced rear yard are included in this request. The site is within the planning area of the *Near East Area Plan* (2005), which does not have a recommended land use for this location. The Plan does state that in general, housing types and density should be consistent with the housing types and densities found in the surrounding area. City staff supports the proposed variances as the density and building placement is consistent with those found along this section of Bryden Road.

To grant a Variance from the provisions of Sections 3332.035, R-3, Residential District; 3332.21(C)(D), Building lines;

and 3332.27, Rear yard, of the Columbus City Codes; for the property located at **1080 BRYDEN ROAD (43205)**, to permit a fourteen-unit apartment building with reduced development standards in the R-3, Residential District (Council Variance # CV17-022).

WHEREAS, by application #CV17-022, the owner of the property at **1080 BRYDEN ROAD (43205)**, is requesting a Variance to permit a fourteen-unit apartment building with reduced development standards in the R-3, Residential District; and

WHEREAS, Section 3332.035, R-3, Residential District, lists single-unit dwellings as the only permitted residential use, while the applicant proposes a fourteen-unit apartment building; and

WHEREAS, Section 3332.21(C)(D), Building lines, requires the building setback lines along Bryden Road and South Ohio Avenue to be 30 feet, while the applicant proposes a building setback line of 24 feet along Bryden Road and 13 feet along South Ohio Avenue; and

WHEREAS, Section 3332.27, Rear yard, requires a rear yard totaling no less than 25 percent of the total lot area, while the applicant proposes a rear yard totaling 6 percent of the total lot area; and

WHEREAS, the Near East Area Commission recommends approval; and

WHEREAS, the Historic Resources Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested Council variance to allow a fourteen-unit apartment building is consistent with the surrounding density and historic development pattern of this section of Bryden Road and will not add incompatible uses at this location; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1080 BRYDEN ROAD (43205)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
