Rezoning Application Z16-075

APPLICANT: The Griff, LLC; c/o Jill S. Tangeman, Atty.; 52 East Gay Street; Columbus, OH 43215.

PROPOSED USE: Apartment building.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (5-0-1)) on May 11, 2017.

FIFTH BY NORTHWEST AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of one parcel zoned in the M, Manufacturing District, and developed with an extended stay hotel that has been rendered non-conforming by a recent zoning code change. The applicant is requesting the L-AR-1, Limited Apartment Residential District to convert the existing structure into an apartment building containing a total of 288 units (36.23 units per acre). Commitments in the limitation text include building and parking setbacks, building height, vehicle access, distribution of bicycle parking across the site, and parkland dedication. The site is within the planning area of the *Fifth by Northwest Neighborhood Plan* (2009), which recommends office uses at this location. Staff recognizes that the proposed use and existing zoning are not consistent with the land use recommendation of the Plan, but the development is already in existence and is adjacent to several other existing multi-unit residential developments to the south and west. Therefore Staff finds the proposed L-AR-1 district to be compatible with the existing use of the site and adjacent properties. A concurrent Council Variance (Ordinance # 1697-2017; CV16-074) has been filed to reduce the required side and rear yards to reflect as-built conditions.

To rezone **1234 STEELWOOD ROAD (43212)**, being 7.95± acres located on the north side of Steelwood Road, 1,100± feet west of Kenny Road, **From:** M, Manufacturing District, **To:** L-AR-1, Limited Apartment Residential District **and to declare an emergency** (Rezoning # Z16-075).

WHEREAS, application # Z16-075 is on file with the Department of Building and Zoning Services requesting rezoning of 7.95± acres from M, Manufacturing District, to the L-AR-1, Limited Apartment Residential District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the Fifth by Northwest Area Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested L-AR-1 district will convert and existing non-conforming extended stay hotel into an apartment building that is compatible to adjacent multi-unit residential developments to the south and west; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Limitation Overlay Text

Proposed District: L-AR-1, Limited Apartment Residential District

Property Address: 1234 Steelwood Road, Columbus, OH 43212

Owners: The Griff LLC

Applicant: The Griff LLC

Date of Text: June 15, 2017

Application No: Z16-075

1. **Introduction:** The subject site is 7.95 +/- acres located on Steelwood Road, west of Kenny Road. To the west and

south is existing AR-1 land developed with multi-family structures; to the east are properties zoned M-2 and L-M manufacturing; and to the north are properties zoned Research Park for the use by the Ohio State University. The site is currently zoned M and is developed with an existing extended stay hotel development. The applicant is seeking to rezone the site to L-AR-1 in anticipation of changes to the City of Columbus zoning code that will make the extended stay hotel a non-conforming use. Because the development is already in existence and is surrounded by other AR-1 multi-family developments, the proposed rezoning will have little impact.

2. Permitted Uses: Multi-family uses as permitted in the AR-1 district.

3. Development Standards:

A. Density, Lot, and/or Setback Commitments.

1. The parking and building setback shall be zero (0) feet to the north and east. The parking and building setback on the west and south shall be twenty (25) feet. B. Access, Loading, Parking and/or Other Traffic Related Commitments.

1. All curb cuts and access points shall be subject to the review and approval of the Public Service Department for the City of Columbus.

2. Required bicycle parking shall be distributed throughout the site to provide convenient access to the proposed building and shall be as close as possible to a building entrance.

3. Following approval of this ordinance by Columbus City Council but prior to the issuance of a final certificate of occupancy for the site, a contribution of \$75,000 shall be made to the Franklin County Engineer's Office to mitigate the additional traffic generated by this site to be applied to roadway improvements in the general vicinity of this site.

C. Buffering, Landscaping, Open Space and/or Screening Commitments.

N/A.

D. Building Design and/or Interior-Exterior Commitments.

1. All external lighting (parking and wall-mounted) shall be cut-off fixtures (down lighting) and shall be designed to prevent offsite spillage.

2. Lights shall be of the same or similar type and color.

3. Buildings will be constructed with an exterior mixture of (i) brick and/or stone veneer, and (ii) cementitious wood and/or vinyl siding.

F. Miscellaneous.

1. The developer shall comply with the park land dedication ordinance by contributing money to the City's Recreation

and Parks Department.

2. The site will be developed in substantial accordance with the site plan attached hereto as Rezoning Exhibit. The site plan may be slightly adjusted to reflect engineering, topographical, or other site data developed at the time the development and engineering plans are completed. Any slight adjustment to the plan will be reviewed and may be approved by the Director of Building and Zoning Services or his designee upon submission of the appropriate data regarding the proposed adjustment.

SECTION 4. ~~That this ordinance shall take effect and be in force from and after the earliest period allowed by law.~~
That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or 10 days after its passage if the Mayor neither approves nor vetoes the same.
