Council Variance Application: CV17-042

APPLICANT: Weinland Park Development, LLC; c/o Dave Perry, Agent; David Perry Company, Inc.; 411 East Town Street, 1st Floor; Columbus, OH 43215; and Donald Plank, Atty.; 411 East Town Street, 2nd Floor; Columbus, OH 43215.

PROPOSED USE: Single-unit dwellings.

UNIVERSITY AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The 0.59± acre site is developed with a vacant building in the C-4, Commercial District. The applicant is seeking to redevelop the site with single-unit dwellings. The Weinland Park neighborhood is seeing substantial residential development with both new construction and remodeling of existing structures that have been made possible through Council variances (Ordinance #'s 0347-2010, 0345-2013, and 1372-2017). A Council variance is necessary because the C-4, Commercial District does not permit ground floor residential uses. Variances for vision clearance and setback lines are also included in this request. The site is within the boundaries of the University Planning Overlay and the *University District Plan* (2015), which recommends "Lower Intensity Residential" land uses for this location. The proposed development is compatible with the development pattern of the surrounding neighborhood and consistent with the land use recommendations of the *University District Plan*.

To grant a variance from the provisions of Sections 3356.03, C-4 permitted uses; 3321.05, Vision clearance; and 3356.11, C-4 District setback lines, of the Columbus City codes, for the property located **1397 NORTH GRANT AVENUE (43201)**, to permit single-unit dwellings with reduced development standards in the C-4, Commercial District (Council

Variance # CV17-042).

WHEREAS, by application # CV17-042, the owner of property at **1397 NORTH GRANT AVENUE (43201)**, is requesting a Council variance to permit single-unit dwellings with reduced development standards in the C-4, Commercial District; and

WHEREAS, Section 3356.03, C-4 permitted uses, permits dwellings only above certain commercial uses, while the applicant proposes to construct single-unit dwellings; and

WHEREAS, Section 3321.05, Vision clearance, requires clear vision triangles of 30 feet at the intersection of two streets, while the applicant proposes a clear vision triangle of 5 feet at the northwest corner of North Grant Avenue and East Eighth Avenue; and

WHEREAS, Section 3356.11, C-4 District setback lines, requires a building setback line of 25 feet along North Grant Avenue and East Eighth Avenue, while applicant proposes a building setback line of two feet; and

WHEREAS, the University Area Commission recommends approval; and

WHEREAS, the City Departments recommend approval of the requested variances because the proposal would permit single-unit dwellings that are compatible with the development pattern of the surrounding neighborhood and consistent with the land use recommendations of the *University District Plan*; and

WHEREAS, a follow-up rezoning application will be filed at a later date to establish an appropriate base zoning district for the properties to be developed pursuant to this Council variance; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed uses; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1397 NORTH GRANT AVENUE (43201)**, in using said property as desired;
