Rezoning Application Z16-090

APPLICANT: Vertical Bridge Development II, LLC; c/o Mike Daubenmire, Agent; Fortune Wireless, Inc.; 6402 Corporate Drive; Indianapolis, IN 46278.

PROPOSED USE: Monopole telecommunications antenna and limited commercial development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on April 13, 2017.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of two parcels developed with a non-conforming bar/restaurant known as the "Garden Inn." It is a portion of a larger CPD, Commercial Planned Development District, Z94-048, now obsolete due to portions being zoned out of it and multiple ownerships. The existing CPD district permitted C-2, Commercial District uses as well as a restaurant and machine sales/servicing on designated portions of the site. The applicant proposes a monopole telecommunications antenna on a portion of the site and limited C-4, Commercial District uses on the rest of the site. The limitation text includes permitted uses, height, access, screening, buffering, landscaping, and site plan commitments. The "Garden Inn" will not be affected by the exclusion of bar, cabaret, and night club uses as it will remain on the site as a nonconforming use. The site is located within the boundaries of the *Northland I Area Plan* (2014), which recommends "Community Mixed Use" at this site. The permitted uses are compatible with the land use recommendation of the Plan and the development also preserves and improves landscaping across the site. Existing tree coverage is being preserved and landscaping is provided around the proposed antenna enclosure and along the Cleveland Avenue frontage.

To rezone **6091 CLEVELAND AVENUE (43231)**, being 4.47± acres located on the west side of Cleveland Avenue,

133± feet north of Deewood Drive, From: CPD, Commercial Planned Development District, To: L-C-4, Limited Commercial District (Rezoning # Z16-090).

WHEREAS, application # Z16-090 is on file with the Department of Building and Zoning Services requesting rezoning of 4.47± acres from CPD, Commercial Planned Development District, to L-C-4, Limited Commercial District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested L-C-4, Limited Commercial District is consistent with the land use recommendations of the *Northland I Area Plan* for community mixed-use development as it does not introduce incompatible uses, and the development also preserves and improves landscaping across the site. Existing tree coverage is being preserved and landscaping is provided around the proposed antenna enclosure and along the Cleveland Avenue frontage; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Official Zoning Map of the City of Columbus, as adopted by Ordinance # 0179 -03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:
