Background: This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Tyevco, Inc. for the development of Southgate Park.

Southgate Park is an undeveloped property on Obetz Road between Parsons Avenue and Lockbourne Road. Improvements are needed to this property in order to make it accessible for use by local residents and to meet the recreational needs of the community. This project will develop the property into a Neighborhood Park including an open shelter, parking lot, loop walk, and playground. These improvements will serve residents of the Southgate Neighborhood and the Far South Area by providing a needed and easily accessible neighborhood recreation space.

The costs for this project will be \$253,875.00 with a contingency of \$20,000.00 for a total of \$273,875.00.

Bids were advertised through Vendor Services, in accordance with City Code Section 329, on May 4, 2017 and received by the Recreation and Parks Department on May 23, 2017. Bids were received from the following companies:

<u>Company</u>	<u>Status</u>	<u>Amount</u>
Tyevco, Inc	(MAJ)	\$253,875.00

After reviewing the proposals that were submitted, it was determined that Tyevco, Inc. was the lowest and most responsive bidder.

Tyevco, Inc. and all proposed subcontractors have met code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.

Principal Parties:

Tyevco, Inc.

CC#: 31-1626034
Exp Date: 11/11/17

Emergency Justification: An emergency is being requested in order for work to begin during the summer season and to allow the work to be completed prior to the NatureWorks Grant Deadline.

Benefits to the Public: Developing Southgate Park will benefit the surrounding community by providing a neighborhood park within walking distance of the Southgate Neighborhood. Funding provided through the NatureWorks Grant will benefit the City by reducing the capital burden of the park development while also meeting the goals of the Ohio Department of Natural Resources in its administration of the grant.

Community Input Issues: In 2015, CRPD developed a Conceptual Master Plan for the Southgate Parkland. This Master Plan was reviewed and approved by the Far South Columbus Area Commission in October 2015. A final meeting was held with the Far South Area Commission in March 2017 to present final plans for the park.

Area(s) Affected: Southgate Park (23)

Master Plan Relation: This project will support the mission of the Recreation and Parks Master Plan by removing access and circulation barriers to the city parks and updating five neighborhood parks per year.

Fiscal Impact: The Director of Recreation and Parks was authorized and directed to accept a grant and enter into a contract with the Ohio Department of Natural Resources per Ordinance No. 0043-2017 (Ord No. 0043-2017 ordained an acceptance of the grant in the amount of \$51,959.00; however the correct amount is \$54,959.00). This ordinance will authorize the appropriation of \$54,959.00 in grant funds in the Recreation and Parks Grant Fund 2283. This ordinance will also authorize a grant match of \$218,916.00 from the Recreation and Parks Voted Bond Fund 7702. \$218,916.00 is budgeted and available in the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of the grant match. There is a total of \$273,875.00 available for this project.
