BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into a grant agreement with Lifecare Alliance to support the Columbus Detection and Outreach Program for $25,000.00.

In March of this year, Central Ohio Diabetes Association (CODA) merged with Lifecare Alliance to form a partnership that is dedicated to delivering health care service to Columbus and central Ohio. CODA will implement the Detection and Outreach Program which provides services to low income/uninsured residents to reduce their risk for diabetes and its complications.

Emergency action is necessary to avoid causing interruptions in the delivery of program services.

FISCAL IMPACT: Funding for this expenditure is allocated from the Emergency Human Services subfund ($25,000.00).
