**BACKGROUND:** This legislation authorizes and directs the Director of the Department of Development to modify a contract with the Franklin County Board of Health for additional lead based paint testing, risk assessments, work specification preparation and final clearance testing for the Lead Safe Columbus Program. The City of Columbus received grant funds from the U.S. Department of Housing and Urban Development (HUD) that allow the Lead Safe Columbus Program to provide property owners with grants for lead safe, affordable housing for families with low and moderate income by providing lead abatement activities in accordance with HUD guidelines.

Emergency action is required so that the delivery of vital program services will continue without interruption.

**FISCAL IMPACT:** \$25,000.00 will be expended from the 2014 Lead Hazard Reduction Demonstration grant in the General Government Grants Fund.
