BACKGROUND: Columbus Public Health received funding from The Franklin County Department of Job and Family Services to implement a safe sleep media buy. To complete the deliverables of the grant, Columbus Public Health will contract with The Saunders Company, LLC from September 1, 2017 through September 30, 2018 for a total contract amount of \$397,910.00. These services were advertised through vendor services (RFQ006315) according to bidding requirements of the City Code. The contract compliance number for The Saunders Company, LLC is 46-4722967 and expires on 10/31/2018.

On average, one baby dies every other week in Franklin County due to unsafe sleep practices. Many of these deaths could be prevented by following the ABCs of infant safe sleep - that babies should sleep Alone, on their Backs, and in an empty Crib, every night, every nap, every time. The allocated funding will help in the efforts to reduce sleep related deaths in Franklin County through an educational marketing campaign.

This ordinance is submitted as an emergency to ensure the grant deliverables are met within the required timeline.

FISCAL IMPACT: This contract is entirely funded by the grant award from The Franklin County Department of Job and Family Services and contingent upon passage of Ordinance 2264-2017.
