BACKGROUND: The need exists to amend and restate the Job Creation Tax Credit Agreement between the City of Columbus and Ascena Retail Group, Inc. The City of Columbus (“CITY”) entered into a Job Creation Tax Credit Agreement effective September 26, 2013 (hereinafter “AGREEMENT”) with Ascena Retail Group, Inc. (“GRANTEE”). Columbus City Council (“COUNCIL”), by Ordinance Number 1517-2013, passed July 1, 2013, authorized the CITY to enter into the AGREEMENT which granted a non-refundable tax credit (the “City Tax Credit”) allowed against the tax imposed under Section 361.09, “Net Profits” of the Columbus City Codes of sixty percent (60%) of the new income tax revenue received by the CITY for a calendar year from New Employees, as defined in Section 4 of the AGREEMENT, commencing January 1, 2014 and continuing for seven (7) consecutive years through December 31, 2020) (the “Incentive Term”). The City Tax Credit amount was based on GRANTEE’S proposed investment of approximately \$200,000 to relocate its shared services real estate professionals division from out-of-state to Columbus thereby creating 15 new full-time permanent positions with an estimated annual payroll of approximately \$1.93 million (the “PROJECT”) at GRANTEE’S offices located at 3344 Morse Crossing Columbus, Ohio 43219, (the “PROJECT SITE”). Pursuant to Ordinance Number 2377-2016, passed October 3, 2016, the AGREEMENT was subsequently authorized to be amended to reflect the following changes to the PROJECT: (i) add additional Grantees, (ii) change the amount of estimated capital expenditure, (iii) change the number of new jobs to be created and the commensurate new job payroll and (iv) include the addition of a new job retention component. Section 2 of Ordinance 2377-2016 required that the amendment was to be signed by the GRANTEE within ninety (90) days of passage of the ordinance, otherwise the ordinance and the authorized amendment would be null and void. The amendment was never executed; hence Ordinance 2377-2016 is null and void.

Following the expiration of the ninety (90) day window set forth in Section 2 of Ordinance 2377-2016, the CITY and the GRANTEE engaged in extensive discussions resulting in a letter dated August 15, 2017 to the CITY from the GRANTEE (the “August 15, 2017 Letter”) in which the GRANTEE respectfully requested an amendment to the AGREEMENT to 1)

increase the scope of the original project, 2) extend the term by one year, and 3) add related entities as additional grantees.

In the August 15, 2017 Letter, GRANTEE advised the CITY that it is preparing to expand their Columbus operations by co-locating the entity Catherines into the Lane Bryant home office to establish a new home office for their Plus Fashion Segment which would result in a total capital investment of \$3.2 million in leasehold improvements, computer and software costs, add 274 full-time retained jobs with an annual payroll of approximately \$24.7 million and add 130 new full-time jobs with an annual payroll of approximately \$11.8 million. GRANTEE also acknowledged the offer by the CITY to extend the original length of the incentive term by one (1) year to assist in making the CITY a more cost viable option for the Plus Fashion Segment home office. Finally, GRANTEE requested that the following five (5) entities be added as Grantees on the AGREEMENT: Lane Bryant, Inc., Lane Bryant Purchasing Corp., Catherines, Inc., Catherines Stores Corp., and ASNA Plus Fashion, Inc.

As a result of the discussions between the CITY and GRANTEE regarding the proposed changes in scope to the PROJECT, the need now exists to amend and restate the AGREEMENT to address the following new terms: (i) the addition of Lane Bryant, Inc., Lane Bryant Purchasing Corp., Catherines, Inc., Catherines Stores Corp., and ASNA Plus Fashion, Inc. as additional grantees to the AGREEMENT, (ii) the addition of a job retention commitment of 274 full-time jobs with a commensurate payroll of approximately \$24.7 million, (iii) the revision of the job creation goal from 15 new full-time permanent positions to 130 with a commensurate annual payroll of approximately \$11.8 million and (iv) the revision of the total capital investment to approximately \$3.2 million. Additionally, there is also a need to further revise the AGREEMENT as follows: Add new language to current Section 3 (Job Creation or Retention) and amend the AGREEMENT to reflect that the current Sections 4 through 14 will become new Sections 4 through 15 in accordance with the new format of the CITY's current Job Creation Tax Credit Agreement.

This legislation is requested to be considered as an emergency in order to amend and restate the AGREEMENT to add the additional entities as grantees, add the job retention and commensurate payroll commitment, revise the job creation goal and commensurate new job payroll, and amend the total capital investment of the PROJECT as described in the AGREEMENT in as expedient a manner as possible so as to allow for the inclusion of the employees located at these additional entities for the reporting and compliance purposes.
