1. **BACKGROUND:** This legislation authorizes the Director of Public Utilities to modify and increase an existing agreement with Stantec Consulting Services, Inc., for professional engineering services for Woodward, Wildwood, and Woodnell Avenues Storm Sewer Improvements Project. The North Central Area-wide Stormwater System Improvements Study identified the need for the Woodward, Wildwood, Woodnell Avenues Storm Sewer Improvements Project (610990-100001). This project will mitigate poor drainage within this area.

### 1.1 Amount of additional funds to be expended: \$8,581.97

Original Agreement EL009045 .....	\$209,675.01
<u>Modification No. 1 (current).....</u>	<u>\$8,581.97</u>
Total	\$218,256.98

### 1.2. Reasons additional goods/services could not be foreseen:

A re-design of the storm sewer in the Woodward Ave. area was needed due to new waterline construction.

### 1.3. Reason other procurement processes are not used:

The current consultant is familiar with the project and has completed all the work to date on the current design path. Bidding the work to another consultant will delay the project and will result in higher costs due to bringing the new consultant up to speed on the project and put the City at high risk of not meeting regulation deadlines.

### 1.4. How cost of modification was determined:

The cost was negotiated between the Division of Sewerage and Drainage and the vendor, Stantec Consulting Services, Inc.

2. **ENGINEERING CONTRACT AWARD:** Stantec Consulting Services, Inc. was selected in accordance with the procedures set forth in Columbus City Code, Section 329 from proposals received on April 25, 2008.

3. **FISCAL IMPACT:** This ordinance authorizes a transfer within and an expenditure of funds from the Storm Sewer Bond Fund and amends the 2017 Capital Improvement Budget to align authority. There is sufficient budget authority within the fund for this expenditure.

4. **CONTRACT COMPLIANCE INFORMATION:** Stantec Consulting Services, Inc. | 11-2167170 | DAX # 000462 | MAJ | Expires 9/7/2019
