Council Variance Application: CV17-037

APPLICANT: Scott McKnight; 394 Oak Street; Columbus, OH 43215.

PROPOSED USE: Mixed-use development.

NEAR EAST AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of a single parcel developed with a vacant mixed-use building zoned in the R-3, Residential District, which was rendered nonconforming by a city-sponsored down-zoning of the Near East Area. Ordinance # 1202-92, passed July 13, 1992 (CV92-023), permitted the building to be used for a ground floor grocery store and four second-story dwelling units. Now, the applicant proposes to repurpose the building for a mixed-use development consisting of a community center, office, and up to four dwelling units. A variance to reduce the required number of parking spaces is included in this request. The site is within the planning area of the *Near East Area Plan* (2005), which does not have a recommended land use for this location. One overall goal of the Plan is to preserve existing housing stock and achieve a reduced rate of housing demolition. City staff notes that this proposal would restore an existing contributing structure which has been vacant for several years. Additionally, staff supports the request for reduced parking as the plan recognizes that parking needs should be balanced with preserving the character of the neighborhood and creating a pedestrian friendly environment. The site is in a dense neighborhood accessible by foot, bicycle, and bus, has on street parking, and currently has no on-site parking.

To grant a Variance from the provisions of Sections 3332.035, R-3, Residential District; and 3312.49 Minimum numbers of parking spaces required, of the Columbus City Codes; for the property located at **210-212 MILLER AVENUE (43205)**, to permit a mixed-use development with parking in the R-3, Residential District and to repeal Ordinance # 1202-92, passed July 13, 1992 (Council Variance # CV17-037).

WHEREAS, by application # CV17-037, the owner of the property at **210-212 MILLER AVENUE (43205)**, is requesting a Variance to permit a mixed-use development with reduced development standards in the R-3, Residential District; and

WHEREAS, Section 3332.035, R-3, Residential District, lists single-unit dwellings as the only permitted residential use, while the applicant proposes to convert the existing building into a two-story mixed-use development with 1,795 square feet of assembly space, 125 square feet of office space, and up to four dwelling units; and

WHEREAS, Section 3312.49, Minimum numbers of parking spaces required, requires 1 space per 30 square feet of assembly space, 1 space per 450 square feet of office space, and 1.5 parking spaces per dwelling unit, which equals a total requirement of 67 spaces, while the applicant proposes to maintain zero parking spaces; and

WHEREAS, the Near East Area Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested Council variance to allow a mixed-use development would restore an existing contributing structure which has been vacant for several years and will not add an incompatible use at this location; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **210-212 MILLER AVENUE (43205)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
