Background: This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with General Maintenance & Engineering for improvements to the roofing systems at Westgate Shelterhouse, Holton Recreation Center, and the King Arts Complex.

Each year the department works to replace roofs that are no longer able to be repaired. This is a contract that we bid out annually to make sure our buildings are kept in good condition and safe from the elements.

The costs for this project will be \$402,986.00 with a contingency of \$45,000.00 for a total of \$447,986.00.

Bids were advertised through Vendor Services, in accordance with City Code Section 329, on August 4, 2017 and received by the Recreation and Parks Department on August 22, 2017. Bids were received from the following companies:
