Background: The Department of Building and Zoning Services has an immediate need for the conversion of existing documents into electronic images. Ordinance Nos. 2833-2014, 1487-2016 and 0624-2017 authorized purchase orders for imaging services from Prime AE Group. The imaging services will optimize storage space, reduce future storage costs and provide efficient access to department information. The department requests an additional purchase order due to the increased number of documents to be converted to electronic format.

This legislation authorizes the Director of Building and Zoning Services to establish a purchase order for the purchase of document conversion services from Prime AE Group, State of Ohio, State Term Schedule (STS): Prime AE Group, State Term Schedule # 800448, expiration date 8/30/2018. Due to time and storage constraints, as well as the continuity of the project, cost effectiveness and the minority certification of the company, it is deemed in the best interest of the City to purchase from the aforementioned State Term Schedule.

Ordinance 582-87 authorizes the City of Columbus to purchase from cooperative purchasing contracts which are not bid, but negotiated contracts.

EMERGENCY:

Emergency action is requested to expedite authorization of this contract in order to facilitate and maintain uninterrupted services from the supplier for critical technology services.

CONTRACT COMPLIANCE:

Vendor: Prime AE Group, Inc. (DAX Vendor Acct.#: 002102); C.C #: 26-0546656; Expiration Date: 02/28/2018.

The company is not debarred according to the excluded party listing system of the Federal Government or prohibited

from being awarded a contract according to the Auditor of State unresolved finding for recovery certified search.

Fiscal Impact: The Department of Building and Zoning Services legislated \$800,000 (via Ordinance No. 2833-2014), \$252,500 (via Ordinance No. 1487-2016) and \$322,893.20 (via Ordinance No. 0624-2017) for document conversion services provided by Prime AE Group. This legislation authorizes the additional appropriation and expenditure of \$250,000.00. Including this request, the aggregate not-to-exceed amount for document imaging and conversion services by Prime AE Group is \$1,625,393.20. Upon passage, funds in the amount of \$250,000.00 will be appropriated from the Development Services Fund.

To authorize and direct the City Auditor to appropriate \$250,000.00 from the Development Services Fund; to authorize the Director of Building and Zoning Services to establish a purchase order for the purchase of document conversion services from the Prime AE Group, Inc. using a State of Ohio, State Term Schedule (STS); to authorize the expenditure of \$250,000.00 from the Development Services Fund; and to declare an emergency. (\$250,000.00.)

WHEREAS, the Department of Building and Zoning Services has an immediate need for the provision of document conversion services to enhance services to the public; and

WHEREAS, there is a State Term Schedule contract with Prime AE Group for said services and the City was previously authorized to participate in these contracts via Ord. No. 582-87; and

WHEREAS, funds for this project are in the Development Services Fund; and

WHEREAS, an emergency exists in the daily operations of the Department of Building and Zoning Services in that it is immediately necessary to authorize the Director of Building and Zoning Services to establish a purchase order for the purchase of document conversion services with Prime AE Group, thereby preserving the public health, peace, property, safety and welfare; now, therefore
