1. BACKGROUND

This legislation authorizes the Director of Public Service to modify and increase an existing contract with Complete General Construction Company for the Short North SID - High Street Improvements Phase 1 project in an amount up to \$550,000.00.

Ordinance 0930-2017 authorized the Director of Public Service to enter into a contract with Complete General Construction Company for the construction of the Short North SID - High Street Improvements Phase 1 project and to provide for construction administration and inspection services.

The work performed to date for this project consists of the installation of curb, sidewalk, landscaping planter beds, traffic facilities, storm sewer inlets, and water line.

The work for modification 1 will consist of waterproofing area basements, payment for temporary pole removals, sidewalk installation, filling in basement vault, and other such work as may be necessary to complete the contract.

The original contract amount, no inspection:	\$3,144,637.98	(PO059189, Ord. 0930-2017)
The total of Modification No. 1, no inspection:	<u>\$550,000.00</u>	(This Ordinance)
The contract amount including all modifications:	\$3,694,637.98	

Searches in the System for Award Management (Federal) and the Findings for Recovery list (State) produced no findings against Complete General Construction Company.

2. UNPLANNED MODIFICATION

This is an unplanned modification that is necessary to cover the cost of unforeseen work needed for the project that was discovered after construction began. This unforeseen work exceeded the project's contingency amount. Tasks to be paid

as part of the modification include restoring the site after special events, waterproofing the basements in the area, temporary pole removals, sidewalk installation at the convention center, and filling-in basement vaults in the second phase of this project. It was deemed to be more cost efficient to modify the existing contract than to bid this part of the work.

3. CONTRACT COMPLIANCE

The contract compliance number for Complete General Construction Company is CC006056 and expires 8/31/19.

4. PRE-QUALIFICATION STATUS

Complete General Construction Company and all proposed trades subcontractors have met Code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.

5. FISCAL IMPACT

Funding in the amount of \$550,000.00 is available within the Streets and Highways Bond Fund within the Department of Public Service. An amendment to the 2017 Capital Improvements Budget and a transfer of funds are necessary to align funding for these project expenditures.

6. EMERGENCY DESIGNATION

Emergency action is requested to prevent unnecessary delays in the completion of modification 1 for the Short North SID - High Street Improvements Phase 1 project to facilitate the completion of planned improvements in a timely manner, thereby preserving the public health, peace, safety, and welfare of the travelling public.
