Background: This ordinance authorizes the City Auditor to set up a certificate (ACPO) in the amount of \$311,850.00 for the 2018 purchase order for lease payments to PNC Equipment Finance, LLC. This is the third year's payment of the five-year modification/extension of the golf riding cars for the Recreation and Parks Department's six municipal golf courses which was modified/extended by authorization of the Recreation and Parks Commission on June 10, 2015 and approved by Columbus City Council Ordinance Number 1485-2015 on June 8, 2015. Lake Erie Golf Cars will continue all maintenance services.

There were three separate lease-purchase agreements and service contracts: 1) 2011-2015; 2) 2012-2016; and 3) 2013-2017 which were modified and extended. This modification accomplished the following:

- Combined all three lease-purchase/service agreements into one;
- Extended this modified lease-purchase/service agreement by an additional five years for a term of 2016-2020;
- Exchanged existing cars assigned to each golf course with 385 all new 2015 manufactured riding cars;
- Locked in the monthly cost per car by the last bid price (in lease #3) of \$101.25;
- Assigned ownership of the seven ADA riding cars to the Division at no charge (not included in the new PNC payment schedule) with refurbishing (fitted with new batteries), maintenance and care still covered by Lake Erie Golf Cars, LLC; and
- Enabled a realized savings of \$88,761 in 2015, as well as providing for multiple years savings (potential increases of the yearly rates of future bids throughout the extended time period).

All other terms and conditions of the lease to purchase agreements and services contracts remain the same. This agreement/contract extension was in the best interest of the City.

Payment for each year of the lease continues to be subject to annual approval by City Council and a yearly purchase order certified by the Auditor's Office for one year at a time. The total cost of the five-year extended lease is expected not to

exceed more than \$1,559,250.

Emergency Justification: An emergency is being requested so the purchase order is certified and ready by the end of March 2018; payment is due April 1st.

Benefits to the Public: This funding is necessary in providing golf riding cars for golfing customers at all six courses.

Community Input Issues: Golfers at all City golf courses expect riding cars as part of their experience.

Area(s) Affected: All six municipal golf courses.

Master Plan Relation: The availability of golf riding cars is important to course operations. This continues to support the mission of the Recreation and Parks Master Plan by ensuring a strong customer base with successful on-going revenue producing operations.

Fiscal Impact: \$311,850.00 is required and is budgeted in the 2018 Recreation and Parks budget to meet the financial obligations of this lease. The \$311,850 is broken out by course - see attached ACPO. This piece of legislation is contingent upon passage of the 2018 operating budget.
