**BACKGROUND:** This legislation authorizes the Finance and Management Director to modify an existing Universal Term Contract (UTC) for the option to obtain Retail Fleet Fuel Credit Card Services with Speedway LLC. This contract provides for fueling services for City fleet units at designated petroleum dealers within Ohio through the use of a retail credit card and is managed by the Division of Fleet Management. The Vendor Speedway LLC has contracted their card servicing to FleetCor Technologies Operating Company, LLC. This modification is necessary to authorize payments under this contract to be paid directly to FleetCor Technologies Operating Company, tax id 72-1074903. The contract, FL005403, was established in accordance with Request for Proposal SA004359 and will expire July 31, 2018.

The Department of Finance and Management, Fleet Maintenance must obtain approval to expend from their own budgeted funds for their estimated expenditures. This is a procedural change within Speedway LLC for payment purposes only, no other funds or changes are necessary.

**EMERGENCY DESIGNATION:** The Finance and Management Department respectfully requests this legislation be considered an emergency to ensure uninterrupted access to fueling locations throughout Ohio.

**FISCAL IMPACT:** No funding is required to modify the option contract. The Department of Finance and Management must set aside their own funding for their estimated expenditures.
